Journey by Moonlight Antal Szerb, 2025-06-25 Journey by Moonlight by Antal Szerb 1937 1945 and translated from the Hungarian by Peter Hargitai recounts the misadventures of a closeted intellectual forced to fit into a life of conventional morality and its notions of manhood Thirty six year old Mih ly takes his new bride to Italy for their honeymoon where chance separates them and he finds himself on the run from his marriage Wandering aimlessly from Perugia to Rome he begins a break through journey of fatally erotic longing that culminates on the edge of an abyss too dark to contemplate Set in Europe during the rise of Fascism his visionary states are eerily prophetic about one of the darkest periods in human history and of the author s own doom **Journey by Moonlight** Antal Szerb, 2007 First published in Budapest in 1937 *Traveler and the Moonlight* , 2016-02-12 Special 70th Anniversary American Edition A new translation by writer and poet Peter Hargitai

Writer and poet Peter Hargitai working on an English translation of Utas s holdvilg Traveler and the Moonlight in 1988 met with Szerbs widow Klra curious to know whether there had been real life models for the novels characters particularly for Tams and va who intrigued him above all the others In answer Klra Szerb pointed out a framed photograph on a bookshelf a youngish man with a pale aristocratic melancholy face This is Tams Mrs Szerb said My husbands beloved schoolmate And va Who is va I asked She held up that very picture This is also va Tams and va are one and the same Klra Szerb went on to insist that Hargitai keep the secret of Tams and vas single biographical precedent until after her death And there we have a clue not only to the mysterious androgyny of Tams and va and to the sexually unconventional nature of Mihlys relationship with them but also perhaps to an unresolved chapter from Szerbs past one that held mysteries potent enough to give rise to a novel Julie Orringer Author of The Invisible Bridge I hope The Traveler reaches thousands and thousands of readers Elie Wiesel Distinguished Nobel Laureate **Love in a Bottle and Other Stories** Antal Szerb, 2010-01-12 Hungarian Antal Szerb is best known in the West as the author of three extraordinary novels most notably Journey by Moonlight 1937 and a highly entertaining study of the Ancient Regime in France The Queen s Necklace 1942 This selection of his stories and novellas set variously in mythical times and in the London and Paris of the twenties and thirties reflects his love of life and the irrepressible irony that is his trademark **A Life** Italo Svevo, 2018-07-17 A Life is the gruelling tale of the frustrated existence of a bank clerk with a poetic soul The artistic aspirations of the protagonist and the emptiness of his daily life become tragic in the great divide between what he wants and what he actually has and gets Alfonso the bank clerk wants to be a poet and seems to be falling in love with Annetta the vain and arrogant daughter of his boss But the emptiness of both his attempts at writing and at love lead to an ironic and painful conclusion **The Pendragon Legend** Antal Szerb, 2007-08-28 While visiting a Welsh castle a young scholar finds himself at the center of occult rituals and a murder mystery in this absolute treat of a gothic detective story The Guardian At an end of the London season soiree the young Hungarian scholar dilettante Janos Batky is introduced to the Earl of Gwynedd a reclusive eccentric who is the subject of

strange rumors Invited to the family seat Pendragon Castle in North Wales Batky receives a mysterious phone call warning him not to go But go he does plunging him into a bizarre world of mysticism and romance animal experimentation and planned murder His quest to solve the central mystery takes him down strange byways old libraries and warehouse cellars Welsh mountains and underground tombs The Pendragon Legend is Antal Szerb s first novel and is a gently satirical blend of gothic and romantic genres crossed with the murder mystery format to produce a fast moving and often hilarious romp But beneath the surface the reader becomes aware of a steely intelligence probing moral psychological and religious questions

Jews in an Illusion of Paradise Norman Simms,2017-03-07 The focus of this volume is on essential themes images and generic patterns beginning with a Talmudic legend about four scholars They by means of daring mystical interpretations of Scripture entered a Paradise representing different means of imaginative reading perception memory and application of the law One of them died one went mad another became a heretic and the other came back as a traditional exegete and teacher Based on that legend this book examines a small group of late 19th and early 20th century European Jewish intellectuals and artists in the light of their dreams writings and moments of crisis These men and women comedians in both the sense of stage actors and clowns or witty performers believed they had entered a new secular and tolerant society but discovered that there was no escape from their Jewish heritage and way of seeing the world This monograph looks into the imperfect mirror of cultural experience discovers a hazy world of illusions dreams and nightmares on the other side of the looking glass and sometimes constructs a midrashic conceit of the comical and grotesque screen between them

The Third Tower Antal

Szerb,2014-03-25 In August 1936 a Hungarian writer in his mid thirties arrives by train in Venice on a journey overshadowed by the coming war and charged with intense personal nostalgia Aware that he might never again visit this land whose sites and scenes had once exercised a strange and terrifying power over his imagination he immerses himself in a stream of discoveries reappraisals and inevitable self revelations From Venice he traces the route taken by the Germanic invaders of old down to Ravenna to stand fulfilling a lifelong dream before the sacred mosaics of San Vitale This journey into his private past brings Antal Szerb firmly and at times painfully up against an explosive present producing some memorable observations on the social wonders and existential horrors of Mussolini s new Roman Imperium **Moon** Bernd
