Journey To The Son:

Journey to the Son Carla A. Carlisle, 2019-01-03 Carla an upwardly mobile successful black woman determined to be a mother crosses paths with a beautiful baby boy Devon A mother at last Carla finds joy in her baby born two months premature to a mother ravaged by drugs and mental instability At six months the cruel wheels of justice take Devon away back to a world of abuse and poverty locked in the clutches of his birth mother backed by an unfeeling judicial system Faced with the choice of letting go or fighting for the son given to her by God Carla chooses to risk her wealth her sanity and her very life to return Devon back to the family they both so desperately deserve Journey to the Son is not only a discussion about motherhood but a collection of memories often painful held together by a thread of hope It invites parents from every walk of life and every situation to sit down and chat about the awesome gift they've been given no matter how unconventional or how long the odds This mother's story brings to light the power of perseverance and prayer and gives the verse but with God all things are possible a whole new meaning Sit back and be blessed [Bridges of the Heart: A Mother and Son's Journey Through Life, Love, and Loss](#)

Omar Gillespie, 2025-04-17 Bridges of the Heart A Mother and Son's Journey Through Life Love and Loss is a memoir that tells the story of a mother and son's journey through life together The book is a poignant and honest account of their love loss and ultimately their reconciliation The book begins with a heart wrenching account of the mother's decision to give up her son for adoption In the following years she searches for him longing to reunite The son meanwhile grows up with a deep sense of loss wondering about the mother he never knew Through a series of remarkable coincidences the mother and son are reunited in adulthood Their journey together is full of challenges but also full of love The mother grapples with the guilt of her past decision while the son struggles to forgive her Ultimately the mother and son find a way to reconcile They learn to understand and forgive each other and they build a strong and loving relationship The book is a testament to the power of love and forgiveness and it will resonate with anyone who has ever experienced loss or separation This book is written for anyone who has ever loved and lost **Beyond the Grave: A Son's Journey Through**
