Journeys to Professional Excellence Frederic P. Bemak, Robert K. Conyne, 2017-08-22 Journeys to Professional Excellence Stories of Courage Innovation and Risk Taking in the Lives of Noted Psychologists and Counselors edited by Frederic P Bemak and Robert K Conyne explores the professional journeys of well known psychologists and counselors examining factors that contributed to their successes and struggles in the field Powerful narratives cover the challenges and joys related to ethnic identity moving from poverty finding significance dealing with immigrant status exploring public policy challenging the status quo experiencing serendipity and exploring one's way moving into new professional roles and taking risks These stories will ignite passion in future psychologists and counselors by helping them reflect on the relationship between their own personal and professional identities

Revisiting Journeys Miriam Beloglovsky, Jessica Frazier, 2026-01-20 Support each child in their journey of play and learning Join bestselling author Miriam Beloglovsky and coauthor Jessie Frazier on a wonder filled journey to understand children's play and learning Through the revisiting journey children make sense of and give meaning to what they are learning This journey is not linear or circular as children play and explore then stop then come back later and explore again in a different way When we look closely these complex journeys tell the story of each child's learning This book introduces a revisiting journeys framework to help educators understand these ways that children make sense of their learning and guide children in the next steps of their journeys At the same time it supports educators to create ecosystems that support messy revisiting journeys and to walk side by side with the children as they co create their own journeys

Good to Great to Innovate Lyn Sharratt, Gale Harild, 2014-09-12 Guide your students to a successful future in the new economy How can schools best prepare students for the highly competitive job market and global economy This compelling book presents a transformative approach to college and career readiness within the public education system based on data and best practices contributed by outstanding schools on five continents Written for education leaders at all levels this resource shows how to Design an innovative Pathways approach to career readiness that empowers students as informed decision makers Integrate career training into curriculum through a network of local community partners Develop an approach to life skill preparation K 12 that is inclusive of all Learn how educators and entire school systems can consistently support career development helping students find rewarding paths forward Congratulations and thanks Sharratt and Harild for this inspirational look at Innovation as the next step to move school systems from Good to Great The examples and advice shared throughout this book and its precursor Putting FACES on the Data have been catalysts for leading my team to thoughtful collective action within our K 12 Family of Schools as we create pathways for The Literate Graduates together Joy Uniacke Superintendent of Education Peel District School Board Ontario Canada Through extensive research and practical examples this outstanding book puts forward a compelling case for structured collaborative inquiry processes to achieve success for ALL students Janelle Wills Director Marzano Institute Australia Without question the

job market demands agility resourcefulness innovation and fearlessness The authors of Good to Great to Innovate brilliantly map the DNA of a relevant education Debbie Hedgepeth Assistant Superintendent Vail Unified School District USA *Using Children's Literature Across the Curriculum* Catherine M. O'Callaghan,2011 This resource uniquely offers preservice and inservice teachers templates for using quality children s literature to implement six themes across grades K 8 The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion analysis and problem solving across the grades Using Children s Literature Across the Curriculum provides teachers with a guide to using multilayered texts to facilitate students attainment of critical literacy It is designed to be a supplemental text to guide teachers in designing literacy instruction The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math science technology and social studies Teachers are shown how to incorporate family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy These models can be adjusted to fit the reading level of the students as teachers become more familiar with the text s structure and their students needs
