coaching book is written by practitioners for practitioners and managers wanting to get the best from individuals in leadership roles. It brings together the authors' experience as psychologists, neuroscientists, and senior level executive coaches to analyse the neuroscience behind behavioural change. The authors present the latest views on leadership, executive coaching, and an introduction to the basic concepts of how the brain works to enable managers and coaches to work more confidently and with greater focus. A series of coaching case histories are accompanied by neuroscience commentaries that offer full explanations of how to select a coaching intervention that will engage different parts of the brain. The cases are categorised by the technique used and the area of the brain the tool accesses, making it easier to understand what type of coaching tool would be useful for a specific situation and also what type of technique might be used to engage a different part of the brain if the first approach is ineffective.

Leadership in the Bible Paul Ohana, David Arnov, 2016-09-15 Based on current thinking and research from the fields of management and psychology, *Leadership in the Bible* provides guidance about the most effective ways of responding to forty challenging situations you encounter every day. This guidance is grounded in the wisdom of three key figures in Hebrew scripture: Abraham, Joseph, and Moses. It explores how they coped with similar challenges and it provides recommendations about how to respond to these situations at work or at home. Each chapter ends with an essential lesson, a lesson that was true thousands of years ago and remains so today. It's refreshing to find new approaches to leadership that are useful in both our personal and professional lives. A worthwhile read for anyone looking to strengthen their skills.

Susan Cohn Rockefeller, HuffPost Books. Arnov and Ohana have put the Hebrew Bible back in business. Through their insightful and creative readings, they distill a spiritual business model for the 21st century.

doing you cannot do but together we are doing something beautiful for God and this is the greatness of God's love for us. Mother Teresa from *Where There Is Love There Is God*. In this book Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is powerfully explored in her own words. Taken largely from her private lessons to her sisters published here for the first time *Where There Is Love There Is God* unveils her extraordinary faith in and surrender to God's will. Love is perhaps the word that best summarizes Mother Teresa's life and message. She sought to be an extension of God's heart and hands in today's world. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; she believed each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters. **A Simple**

Path Mother Teresa, 1995-10-31. Known around the globe for her indefatigable work on behalf of the poor, the sick, and the dying, Mother Teresa has devoted her life to giving hope to the hopeless in more than one hundred and twenty countries. She inspires us all to find a way to translate our spiritual beliefs into action in the world. How has one woman accomplished so much? And what are the guiding principles that have enabled this humble nun to so profoundly effect the lives of millions? Now in her own words, Mother Teresa shares the thoughts and experiences that have led her to do her extraordinary charitable work. A candid look at her everyday life at the very simplicity and self-sacrifice that give her the strength to move mountains. *A Simple Path* gives voice to the remarkable spirit who has dedicated her life to the poorest among us. Just as important as her beliefs are how they are put into action in the world, and *A Simple Path* also tells the story of the founding of the Missionaries of Charity, their purpose and practice, and the results of their tireless work. Through faith, surrender, and prayer, the missionaries live to serve others; they have improved the lives of countless souls and given dignity to the dying. Their mission has also produced a ripple effect, spreading human compassion to communities where there is need. Through these examples, as well as the uplifting words and guiding prayers of Mother Teresa and those who work with her, everyone can learn how to walk the simple path that Mother Teresa has laid out for us to help create a truly kinder world for the future. *A Simple Path* is a unique spiritual guide for Catholics and non-Catholics alike, full of wisdom and hope from the one person who has given us the greatest model of love in action in our time. **The Spirituality of Mother Teresa** Fr Raniero

Cantalamessa, 2019-11. A beloved modern-day saint, St. Teresa of Calcutta continues to be a source of inspiration over twenty years after her death. We now know that she endured inner torment throughout most of her life; a suffering she spoke of only to her spiritual advisors. In fact, she said that if she ever became a saint, she would surely be one of darkness. In this new book, Fr. Raniero Cantalamessa, preacher to the Papal Household for over 30 years, reflects on the spirituality of this great saint and how she gave God her complete fiat, her yes. Despite being misunderstood and ridiculed at first, she dared to believe the words of Jesus and, in so doing, founded the most well-known religious organization in the world. **Life Changing** Mother
