Nicolas, 2013-04-04 A mother Mary who didnt want her son Joseph to know he had a father did everything she could to prevent anyone from talking about his father She didnt even talk to Joseph about his father herself But when the little boy started his preschool year he soon found out that he must have a father because some of the other children had fathers who would bring them to the classroom and would pick them up in the afternoon After few weeks of observation while Joseph and his mother were walking to school Joseph decided to ask his mother about his father Mommy wheres Daddy he asked Mary responded You dont have a daddy Why do the other kids have daddies asked Joseph with an alarmed voice I dont know replied Mary This answer hit Joseph so deeply that his behavior changed from good to bad to worse His behavior changed positively when his mother had another baby a boy named Sam and the babys father Julian became Josephs surrogate daddy For many years things were going well for Joseph and his family when on a winter Saturday morning a fight broke out between Mary and Julian The argument lasted for hours and finally Julian took his luggage and left The destruction of his family was another blow for Joseph he was devastated Joseph and Sam reacted by staying out of school and moving out They both shared a room with a group of fatherless kids who were making their living in the neighborhood streets Joseph and Sam ended up in juvenile correction and their mother had to bail them out After their release they went back to school Joseph became a lawyer serving kids at risk and Sam became the owner of a construction company *Journal of the Albany County Legislature of the County of Albany* Albany County (N.Y.). A Mother's and Father's Guide to a Happy Life Lance Hodge, 2017-01-09 This book includes THE Dump em or Keep em CHECKLIST Dear Child of mine You ve been given this little book because we love you Parents devote their lives toward raising their children to be wonderful adults hopefully better people than we have been There s some old saying I m not sure what it is exactly but it basically says that children must make their own mistakes and that a parent s advice can t save the child from the heartache of the bad choices they will make it s assumed that you MUST make these bad choices to learn these hard lessons yourself I hope that isn t true and that some heartache can be avoided This book says many of the things I

can't or haven't said to you myself I guess I don't want to come off as preaching to you or nagging or making you think that I don't trust your good judgement. Judgement is most often based on experience and as parents we have more of that I want you to at least listen to this advice and incorporate that advice into your decision making. Often a parent's advice can be dismissed you know the old saying going in one ear and out the other. But this book relies on real expertise, decades of study and decades of experience and should be given some weight as to these opinions. That's it. Please read this book carefully and take this advice seriously. Relationship mistakes can be lifelong mistakes. I love you Mom or Dad or Mom and Dad

Children who grow up without fathers have long been the public subject of pity, scorn and derision due to factors beyond their control. Similarly, single mothers are often demonized or lumped into a monolithic group that rarely takes into account the individual circumstances that led to their single parent status. It's true that in a perfect world all children would be born to a mother and father who are bound together for life and who both make meeting their children's needs a central relationship goal. But we don't live in a perfect world. As such, this book serves a few purposes. First, it is for those children who for one reason or another do not live with both parents under one roof, namely their fathers. Second, this book is also for those mothers who choose to take on the full responsibility to raise these precious young souls WITHOUT badmouthing the father who has chosen not to be in their child's life. This book helps those moms who struggle to provide an honest and child-affirming answer to the question most of these children eventually ask: "Where's my daddy?" Thirdly, this book is particularly directed to mothers and children in households of faith who believe in the concept of God as the loving Father of humanity
