Letters To The Baumgartners:

Letters to the Baumgartners Selena Kitt,2011-12-05 Danielle Stuart is spending a year abroad studying in Venice but while she loves the romance of the language and the beauty of country she finds herself more and more confused by her growing feelings for a gondolier named Nico and her now ex husband Mason who has shown up on her doorstep looking to reconcile Desperate Dani writes to the Baumgartners in hopes her former lovers might help her clarify her muddled emotions Finding herself torn between the two men she reveals her dizzying dilemma only to discover thanks to the Baumgartner s insight and her own sense of sexual discovery that she may not have to choose after all **WARNING** This title contains graphic language and mmf sex including m m and some anal sex **EXCERPT** Not here I whispered as Nico kissed me into a narrow alleyway the cool brick biting my back pressed hard against the wall Yes here he insisted and I cursed myself for wearing a skirt to school March was flirting with April and the weather had been sunny and bordering on warm all day prompting my choice of outfit No no I protested but telling him no was impossible He took when he wanted when he wanted I couldn t deny him and even as my mind forbid him my body responded my hips thrusting to meet the hard press of his cock through his trousers my mouth opening under his I can t wait he murmured his hand cupping my mound through my skirt I ve been thinking about you all day My cock has been hard for hours We could get caught I whispered eyes closed with pleasure as he rocked the heel of his palm against my pussy It was still daylight and anyone passing by the alleyway could see us Arrested What would your mother say I don t care he growled yanking my skirt up to my waist exposing the black flash of my panties underneath Nico I gasped when he went to his knees unmindful of the suit he was wearing burying his face between my legs The truth was I was already soaking wet I d been thinking about him all day too about our date and where we would go to ease this ache I had to sneak him into my flat past Caro Lucia His mother guarded his place like Fort Knox We had found places of course the darkness our accomplice We had christened the restroom at the Mood Caf twice once in the men s room the second time in the women s We d made love in the gondola in the dark several times tied to a post nearly tipping it over once in a narrow canal with our fervor We d even done it like this in dark alleys cul de sacs entryways to empty buildings But we d never dared to do it like this in the daylight in plain sight I usually felt like a naughty teenager sneaking around and hiding our lust but this was beyond daring it was dangerous I loved it Lick it I begged sliding my leg up over his shoulder to give him better access He nudged my panties aside and did just as he was told his mouth working sweet hot magic between my legs My clit throbbed against his tongue my nipples hardening under my blouse I rubbed my own breasts grazing them with my nails through the material sending hot tingles down between my thighs **Selected Letters of Friedrich**

figures Martin Luther and the tumultuous world of late medieval Germany that shaped and was reshaped by him told through the fictional letters and diary entries of his youngest son Paul Growing up in the shadow of his strict and pious father Paul Luther rejected Martin's singular devotion Unwilling to join his father's fanatical disciples Paul became critical of his famous father's critiques and instead turned his interest and intellect to science and medicine Yet Martin Luther remained a presence that haunted Paul's life and transformed his world Shadows of My Father paints a vivid and atmospheric picture of Martin Luther including his day to day life his break with the Catholic Church and his singular dedication in sustaining the Reformation It is also a portrait of a rebellious son raised in a harsh religious household who turns his faith to saving lives instead of souls eventually becoming a royal doctor Christoph Werner vividly recreates the world of sixteenth century Germany a time of wars and famines when a Kaiser battles to keep an empire together and faith and tradition clash with education and reason giving birth to superstition and shaking the foundations of a Catholic Church already riven by internal conflict A thoughtful insightful lens into one of the most famous figures one of the most profound historical events and one of the most turbulent periods in our past Shadows of My Father reveals an intriguing historically accurate and all too human side of Martin Luther and his lasting legacy **The Shores of Paradise** Shirley Streshinsky,2013-08-14 In a narrative

spanning the final decades of the 1800s the end of the Hawaiian monarchy annexation by the United States and World War I the lives of four starkly different headstrong individuals are inextricably woven True Lindstrom was brought to the orphanage at Waikiki as a young girl As bold as she is fair True harbors a tragic childhood secret as well as a fierce love for Evan Coulter which she will defy fate and circumstance to fulfill Twelve years older than True handsome Evan is an accomplished rider with an abiding love for the land and its people His political future now seems limitless until his passion for True jeopardizes his marriage and forces a decision that could alter Hawaiian history Princess Kaiulani a delicate child who traces her ancestry to Scottish landowners on her father's side and centuries of Hawaiian royalty on her mother's is heiress apparent to the Hawaiian throne The last hope of the Hawaiian monarchy she is all too aware of the enormous responsibility places on her frail shoulders and understands that she will either grow up to rule the islands or die a martyr to them These dynamic lives are woven into a tale by Martha Moon the gentle teacher who casts herself in the ancient Hawaiian role of storyteller It is through her eyes that we witness four lifetimes of adversity sorrow joy and ultimate triumph The Methuen Drama Book of Comic Monologues for Women Katy Wix,2015-10-09 A comedian and writer Wix has for the past few years been writing audition speeches for students at drama schools including RADA LAMDA Drama Centre and The Royal Welsh College of Music and Drama A book of contemporary comedy monologues does not exist for today's actor or indeed a book comprising solely of showcase speeches This is a collection of very funny and original audition speeches filling a significant gap in the market made up of monologues for various age ranges each with a running time of two to three minutes The brevity in length makes these ideal for auditions or showcases and the variety in age and style encompasses different
