The National Rural Letter Carrier ,2010 **American Book Publishing Record** ,2007 **Servitization in Industry**
 Gunter Lay,2014-06-13 This book summarizes the interim result of the servitization activities in manufacturing industries
 While the early literature on servitization tended to stress only its advantages more recently scholars have also started to
 refer to the challenges associated with servitization This book attempts to give a balanced picture of servitization The book is
 structured in four parts Part I introduces the topic by presenting the most recent academic discussion about servitization and
 uses an empirical analysis to show the degree of servitization across Europe The results of this analysis are then compared to
 the discussion in the literature This comparison highlights the existing discrepancies between the rather euphoric literature
 and the more skeptical practical experience The second and third parts attempt to explain these discrepancies by taking as a
 starting point the assumption that servitization recommendations have to consider the heterogeneity of the manufacturing
 sector and the capabilities of the provider Part II presents articles which analyze the specific characteristics of different
 sectors with their barriers and potentials and presents frameworks for a successful servitization of the core sectors in
 European manufacturing industries which include e g aeronautics automotive ICT chemical industries pulp and paper
 industries and different engineering sectors Part III focuses on companies capabilities which are necessary for successful
 servitization These include strategic management marketing organization innovation engineering human resources
 controlling quality and networks All the contributions in parts II and III add up to a detailed picture of servitization for
 sectors and functions and indicate the practical implications for enterprises in manufacturing industries The fourth part
 concludes the book with a chapter summarizing the findings and giving an outlook of servitization in manufacturing
 industries its challenges and future developments **Press Summary - Illinois Information Service** Illinois Information
