Jem A Girl Of London:

Jem's Wife Jem, Author of *Granny*, 1894 Inez Linda J. Lumsden, 2004-07-08 Inez Milholland was the most glamorous suffragist of the 1910s and a fearless crusader for women's rights. Moving in radical circles she agitated for social change in the prewar years and she epitomized the independent New Woman of the time. Her death at age 30 while stumping for suffrage in California in 1916 made her the sole martyr of the American suffrage movement. Her death helped inspire two years of militant protests by the National Woman's Party including the picketing of the White House which led in 1920 to ratification of the 19th Amendment granting women the right to vote. Lumsden's study of this colorful and influential figure restores to history an important link between the homebound women of the 19th century and the iconoclastic feminists of the 1970s.

Mrs Barth's girl, by F.C.F. F. C. F., 1887 **Jem, a Girl of London** Delaney Green, 2015-01-22 Winner of a 2015 North Street Book Prize. I would have adored this book as a thirteen year old who was very interested in history and science and I enjoyed it immensely as an adult. Ellen LaFleche assistant judge North Street Book Prize. When Jenna Connolly is orphaned in eighteenth century London she faces two problems: first she must find a way to stay out of the workhouse and off the streets; second she must find a way to shake the disturbing visions she's been having ever since her father's death. Jenna doesn't want to hear what animals are thinking. She doesn't want to know what diseases lurk inside complete strangers. Jenna solves her first problem by disguising herself as a boy and calling herself Jem. This lands her a home with a doctor and a job with an apothecary. She even gets to take lessons from the American scientist Ben Franklin. But Jem's visions get scarier and harder to control, especially when she learns that a stranger with a patch over his eye has hired spies to find her. Who does Patch work for? Why does he want Jem? Why can't Jem shake her strange visions and why did she start having them in the first place?
