Jesus Heals The Deaf Man Activities:

Creative Ideas for Children's Worship - Year B Sarah Lenton, 2012-05-01 One of the biggest challenges for worship leaders and educators is coming up with ideas for including children in worship. These books provide a whole year's worth of activities and ideas complete with artwork and visual aids. The activities have been developed and used in an Anglican parish Church of England over the last decade by a professional educator, artist, and experienced children's minister. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with the lectionary. Through fun ideas, children encounter a real aspect of the Christian faith focused on a theme from each Sunday's Gospel. Each outline includes a variety of options which make them appropriate for small and large groups of children as well as mixed age groups. Illustrated throughout the text and full color artwork are included on a CD ROM for downloading, printing, and copying.
