Talmage, 2014-07-02 It is a matter of history that at or near the beginning of what has since come to be known as the Christian era the Man Jesus surnamed the Christ was born in Bethlehem of Judea The principal data as to His birth life and death are so well attested as to be reasonably indisputable they are facts of record and are accepted as essentially authentic by the civilized world at large True there are diversities of deduction based on alleged discrepancies in the records of the past as to circumstantial details but such differences are of strictly minor importance for none of them nor all taken together cast a shadow of rational doubt upon the historicity of the earthly existence of the Man known in literature as Jesus of Nazareth As to who and what He was there are dissensions of grave moment dividing the opinions of men and this divergence of conception and belief is most pronounced upon those matters to

which the greatest importance attaches The solemn testimonies of millions dead and of millions living unite in proclaiming Him as divine the Son of the Living God the Redeemer and Savior of the human race the Eternal Judge of the souls of men the Chosen and Anointed of the Father in short the Christ Others there are who deny His Godhood while extolling the transcendent qualities of His unparalleled and unapproachable Manhood To the student of history this Man among men stands first foremost and alone as a directing personality in the world s progression Mankind has never produced a leader to rank with Him Regarded solely as a historic personage He is unique Judged by the standard of human estimation Jesus of Nazareth is supreme among men by reason of the excellence of His personal character the simplicity beauty and genuine worth of His precepts and the influence of His example and doctrines in the advancement of the race To these distinguishing characteristics of surpassing greatness the devout Christian soul adds an attribute that far exceeds the sum of all the others the divinity of Christ s origin and the eternal reality of His status as Lord and God Christian and unbeliever alike acknowledge His supremacy as a Man and respect the epoch making significance of His birth Christ was born in the meridian of time and His life on earth marked at once the culmination of the past and the inauguration of an era distinctive in human hope endeavor and achievement His advent determined a new order in the reckoning of the years and by common consent the centuries antedating His birth have been counted backward from the pivotal event and are designated accordingly The rise and fall of dynasties the birth and dissolution of nations all the cycles of history as to war and peace as to prosperity and adversity as to health and pestilence seasons of plenty and of famine the awful happenings of earthquake and storm the triumphs of invention and discovery the epochs of man s development in godliness and the long periods of his dwindling in unbelief all the occurrences that make history are chronicled throughout Christendom by reference to the year before or after the birth of Jesus Christ

Jesus the Christ (Latter Day Saints) James E. Talmage,2013-06-07 The scope of the subject presented in this work is expressed on the title page It will be readily seen that the author has departed from the course usually followed by writers on the Life of Jesus Christ which course as a rule begins with the birth of Mary s Babe and ends with the ascension of the slain and risen Lord from Olivet The treatment embodied in these pages in addition to the narrative of the Lord s life in the flesh comprizes the antemortal existence and activities of the world s Redeemer the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times the assured nearness of the Lord s second advent and predicted events beyond all so far as the Holy Scriptures make plain It is particularly congruous and appropriate that the Church of Jesus Christ of Latter day Saints the only Church that affirms authority based on specific revelation and commission to use the Lord s Holy Name as a distinctive designation should set forth her doctrines concerning the Messiah and His mission The author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the Church and the completed work has been read to and is approved by the First Presidency and the Council of the Twelve It presents however the writer s personal belief and profoundest conviction as to the truth of what he has written The book is published by the Church of Jesus Christ of Latter day Saints A characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the Holy Writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many dark passages of ancient

construction The spirit of the sacredness inherent in the subject has been a constant companion of the writer throughout his pleasing labor and he reverently invokes the same as a minister to the readers of the volume JAMES E TALMAGE Salt Lake City Utah September 1915 Jesus the Christ James Talmage,2015-02-09 James E Talmage was one of the Twelve Apostles of the Mormon Church and he wrote this voluminous work about Jesus and the Bible in the early 20th century **A New Church Work "Jesus the Christ" by Dr. James E.
