## **Jesus Humanity And The Trinity A Brief Systematic Theology:**

Jesus, Humanity and the Trinity Kathryn Tanner, Tanner offers not a repetition of doctrines but a creative synthesis of key Christian principles especially the transcendence and gift giving of God and contemporary experience What emerges is a profound yet precise vision of creation God's life and our participation in it While consonant with traditional teachings Tanner's dynamic speculative theology is universal in its range mystical in its outlines and deeply ethical in its relations with all God's gifted creatures Jesus Humanity and the Trinity not only takes stock of Christian belief in a time of tumultuous intellectual and cultural change It also finds in that ferment a life giving meaning and mission for Christian life **Christ the Key** Kathryn Tanner, 2009-12-10 Through the intensely intimate relationship that arises between God and humans in the incarnation of the Word in Christ God gives us the gift of God's own life This simple claim provides the basis for Kathryn Tanner's powerful study of the centrality of Jesus Christ for all Christian thought and life if the divine and the human are united in Christ then Jesus can be seen as key to the pattern that organizes the whole even while God's ways remain beyond our grasp Drawing on the history of Christian thought to develop an innovative Christ centered theology this book sheds fresh light on major theological issues such as the imago dei the relationship between nature and grace the Trinity's implications for human community and the Spirit's manner of working in human lives Originally delivered as Warfield Lectures at Princeton Theological Seminary it offers a creative and compelling contribution to contemporary theology

*Trinity and Humanity* Uche Anizor, 2018-02-27 Colin Gunton is regarded by many as one of the most important English theologians of the twentieth century A prolific writer and creative thinker Gunton taught at King's College London for over thirty years until his untimely death in 2003 In this first single authored introduction to Gunton's theology Uche Anizor traces the key theological themes major contributors and criticisms of his work Each chapter provides a synthesis and overview of Gunton's thought on a particular doctrine or set of doctrines calling attention to the Trinitarian shape of his theology In *Trinity and Humanity* Anizor provides a handy entrance into the corpus of this major thinker *The Ecclesiology of Thomas F. Torrance* Kate Tyler, 2019-08-12 This book provides a constructive analysis of Thomas F Torrance's ecclesiology Holding the doctrine of the Trinity to be the ground and grammar of theology Torrance viewed the doctrine of the Trinity as foundational for all ecclesiological reflection What does it mean to be the people of the God whom Christians name as Father Son and Spirit Tyler examines Torrance's development of the rich potential of the metaphor koinonia involving both a vertical dimension the Church's union with Christ through the Spirit and a horizontal dimension its visible existence in human history lived out in space and time and considers how the relationship between these two dimensions informs the structured forms of the Church's life its ecumenical breadth and its missional vision **The Incarnation as God's First Intention** Edwin Chr. van Driel, 2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's

first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God s engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God s original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church s mission in today s world suggesting that God s presence with us is not merely a remedy for human fallenness but rather God s first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God s relation to the world this book challenges readers to see the incarnation God s dwelling among us as God s central purpose

A Politics of Grace Christiane Alpers,2018-04-19 Christiane Alpers discusses the contribution and role Christian theology plays in developing of the democratic life in post Christendom societies She discusses the three major approaches to this debate public theology Radical Orthodoxy and post liberal Protestantism in order to illustrate the shared assumption that such an enhancement should be understood in terms of solving existing political problems The volume builds on and combines public theology s aspiration to craft a non triumphant political theology fit for a post Christendom context Radical Orthodoxy s hesitancy to embrace secularism as neutral centre for present democracies as well as post liberalism s Christocentric outlook Alpers engages with a wide variety of thinkers such as John Milbank Graham Ward John Howard Yoder Kathryn Tanner and Edward Schillebeeckx to suggest that a political theology in the post Christendom context could build on the faith that Christ alone has redeemed the whole world

**Following in the Way of Jesus** Donald K. **Abortion and the Christian Tradition** Margaret D. Kamitsuka,2019-10-29 Abortion remains the most contested political issue in American life Poll results have remained surprisingly constant over the years with roughly equal numbers supporting and opposing it A common perception is that abortion is contrary to Christian teaching and values While some have challenged that perception few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds Margaret Kamitsuka begins with a careful examination of the church s biblical and historical record refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception She then offers carefully crafted ethical arguments about the pregnant woman s authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin

*The Love of God* John C. Peckham,2015-07-28 Theology has constantly wrestled with the nature of God s love and what it means for how God relates to the world In this comprehensive canonical theology of

divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness Jesus in the Trinity Lincoln Harvey,2020-01-31 A critical figure in understanding doctrinal debates Robert Jenson's work is nonetheless incredibly hard to get a handle on Jesus in the Trinity presents a much needed primer on the theologian demystifying his work and exploring the place his thinking has in the life of faith today *Systematic Theology, Volume 2* Katherine Sonderegger,2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the one God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel's sacrificial covenant the triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel's Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God **Pro Ecclesia** ,2003 *The Person of Christ* Stephen J. Wellum,2021-01-15 From beginning to end Scripture unveils from shadow to reality that Jesus is God the Son incarnate Some people think of Jesus as a great prophet or a wise philosopher others see him as an important religious leader or even a revolutionary In this addition to the Short Studies in Systematic Theology series Stephen Wellum challenges these claims as he argues for the divinity of Jesus according to Scripture and in line with creedal Christianity In this brief introduction we are invited to rejoice in the centrality of Christ who as both God and man reconciles us to God **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting,2002 *Journal of Feminist Studies in Religion* ,2002 Rahner Beyond Rahner Paul G. Crowley,2005 One hundred years after the birth of Karl Rahner the contributors to this book ask whether and how Rahner's theology can address new religious and cultural realities in the twenty first century particularly those realities found on what has come to be called the Pacific Rim O Stretching from California and Latin America and across the Pacific Ocean to Asia this geographic region manifests an incredible cultural and religious diversity but also many points of intersection and interpenetration resulting in new forms of religion and spirituality The theological categories generated by Rahner such as the anonymous Christian and even the notion of a world church meet steep challenges when read in contexts very different from that of Germany and the theological currents of the O Atlantic O At the same time the encounter between Rahner and the Pacific Rim results in fresh readings of Rahner not previously imagined not only in places like China and Mexico but even Los Angeles Anchored by a seminal essay by Francis X Clooney S J Harvard

contributors include Thomas Sheehan Stanford Catherine Bell Santa Clara and George Griener S J Berkeley Each essay examines the possibilities and limitations of Rahner's theology in this newly configured Pacific world      Communion with God Kelly M. Kopic, 2007 Focuses on the concept of communion with God in the work of Puritan theologian John Owen covering key areas such as anthropology the incarnation the Trinity and the Lord's supper      **Outlines of Systematic Theology** Augustus Hopkins Strong, 1908      *Elenchus of Biblica* Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l'Eglise marque un événement c'est la première fois dans l'histoire de l'Eglise qu'une assemblée de la Sainte Eglise s'exprime solennellement sur la vie consacrée Le sixième chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystère de l'Eglise peuple de Dieu Ce texte conciliaire présente la vie religieuse comme un état canonique celui du chrétien qui tend dans un institut de perfection à la charité parfaite et consacre sa vie à Dieu et aux hommes par la profession des conseils évangéliques de chasteté pauvreté et obéissance De toute évidence cette déclaration doctrinale est importante pour l'Eglise et pour le développement de la vie consacrée dans l'Eglise En lisant Lumen Gentium on est assez vite frappé par le début abrupt du sixième chapitre sur les religieux car tous les autres chapitres s'ouvrent par une brève introduction Cependant on ne peut détacher ce chapitre de ce qui a été dit précédemment sur la vocation universelle à la sainteté En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres      Gregorianum , 2005
