how the passion that Starbucks has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in The Gospel According to Starbucks You don't stand in line at Starbucks just to buy a cup of coffee You stop for the experience surrounding the cup of coffee Too many of us line up for God out of duty or guilt We completely miss the warmth and richness of the experience of living with God If we'd learn to see what God is doing on earth we could participate fully in the irresistible life that he offers You can learn to pay attention like never before to identify where God is already in business right in your neighborhood The doors are open and the coffee is brewing God is serving the refreshing antidote to the unsatisfying arms length spiritual life and he won't even make you stand in line *What Matters Most*

Leonard Sweet,2012-03-13 Belief can exist in isolation but faith requires a relationship Why wade in the shallows of belief when you can plunge into the depths of faith Belief involves a different way of thinking but faith brings about a new way of living It grows through direct experience and a close relationship both of which come as you follow Jesus As Christians we often talk about developing a personal relationship with Christ but instead of pursuing a relationship we pursue knowledge We are tempted to place confidence in our definite settled beliefs which offer a pale substitute for the daily adventure of an honest relationship with Jesus In *What Matters Most* Leonard Sweet presents a challenging and compelling approach to belief that is joined by dynamic engagement with God You are invited to explore the uncharted regions of faith by following Jesus completely on his terms Once you begin you will never go back to mere belief Real Church in a Social Network World

Leonard Sweet,2012-03-13 The gospel is nothing without relationship And no one gets it like the Google Generation God came to earth to invite us personally into a relationship And while Christians at times downplay relationships the social media generation is completely sold on the idea In *Viral* Leonard Sweet says Christians need to learn about connecting with others from the experts those who can't seem to stop texting IM'ing tweeting and updating their Facebook statuses What would happen he asks if Christians devoted less attention to strategies

and statistics and paid more attention to pursuing relationships The current generation is driven by a God given desire to know others and to be known by others Most of them in seeking to connect in meaningful ways have found a place of belonging that is outside the organized church Why not bring the two together Those who are sold out to relationships can teach Christians how to be better friends to people who need God At the same time members of the social media generation can learn how to follow their desire for belonging straight into the arms of God It s time for relationship to be restored to the heart of the gospel And when that happens can revival be far behind End of Chapter Interactives Included *Jesus Speaks* Leonard Sweet, Frank Viola, 2016-08-09 Are you hungry to hear God s voice but don t know how *Jesus Speaks* teaches readers how to listen for the voice of Jesus and how you can grow in your ability to recognize and respond to his voice daily While the Lord frequently speaks to us we don t really hear his voice until we recognize it In *Jesus Speaks* Sweet and Viola unpack the many ways the Lord speaks to his people today by exploring how the disciples interacted with the risen Jesus from the Gospels to Revelation They demystify the process in a warm practical way providing insights on how you can recognize the voice of Jesus in your own life Separated into two sections the first provides a big picture look at how the resurrected Jesus spoke in the New Testament while the second contains short actionable chapters filled with scriptural quotes and references Both sections work together to help you recognize and respond to the voice of Jesus in your everyday life Readers will be able to Gain a firm foundation in the scriptures learning how Jesus spoke to his disciples Dispel myths and misinformation surrounding what it means to hear the voice of Jesus today Grow the ability to recognize God s voice and learn how to respond Essential for Christians seeking to improve their relationship with Jesus *Jesus Speaks* is the long awaited third volume in the JESUS trilogy *Jesus Manifesto* *Jesus A Theography* and *Jesus Speaks* NIV, *Once-A-Day: Bible for Leaders* Zondervan, 2012-11-06 With this NIV Once A Day Bible for Leaders you can read through the Bible in a year Or at your own pace Now you can practice the spiritual discipline of daily Bible reading with a special focus on leadership Plus you can read at your own pace Want a reading plan that will take you through the Bible in a year You got it with check boxes and all Don t want the guilt of falling behind You won t each daily reading is not dated but numbered allowing you the flexibility you need as you strive to engage God s Word every day The NIV Once A Day Bible for Leaders organizes the clear accessible New International Version Bible into 365 daily readings Each day s reading includes a portion of Scripture from the Old Testament the New Testament and a Psalm or a Proverb And to help you develop your leadership skills with a biblical focus each daily reading includes a leadership insight from both past and present outstanding leaders Featured leaders include Bill Hybels Wayne Cordeiro Erwin McManus Charles Stanley Max Lucado Ann Voskamp Chuck Swindoll and many more

Evangelicals, Worship and Participation Alan Rathe, 2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape

of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God s triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue

ReGrace Frank Viola,2019-03-05 The church is tired of seeing Christians act ungraciously toward one another when they disagree Social media has added to the carnage Christians routinely block each other on Facebook because of doctrinal disagreements The world watches the blood letting and the Christian witness is tarnished But what if every Christian discovered that their favorite teacher in church history had blind spots and held to some false and even shocking views Bestselling author Frank Viola argues that this simple awareness will soften Christians when they interact with each other in the face of theological disagreements In *ReGrace* he uncovers some of the shocking beliefs held by faith giants like C S Lewis Luther Calvin Moody Spurgeon Wesley Graham and Augustine not to downgrade or dismiss them but to show that even the greats in church history didn t get everything right Knowing that the heroes of our faith sometimes got it wrong will empower us to treat our fellow Christians with grace rather than disdain whenever we disagree over theology Revise Us Again Frank Viola,2011-04-01 Every person follows a script for living a life guide that directs our behavior and shapes our choices As believers we find the original script for living woven throughout the Bible Yet while the Christian message is simple it can become complicated by our environment our culture and our religious ideas and traditions For this reason we are all in constant need of revising the scripts by which we live Author Frank Viola believes we need to revisit and revise what it means to live the Christian life Drawing from his rich background in ministry Viola examines ten key areas that impact every believer and explores fresh ways to revise them Conversational insightful and practical *Revise Us Again* encourages us to examine those religious habits that we unconsciously pick up from others and rescript them with new habits that line up with our new nature in Christ The Worship Journey Andy Park,2010-11 Worship is mystical Worship is practical Worship changes you your dreams and your priorities I met Jesus in my teens and I couldn t resist tagging along with the most attractive person I ve ever met He took me by the hand and led me on a wonderful adventure He showed me a world that I didn t know existed Jesus is not only a co adventurer he is the path and the guide and the fuel and the goal This adventurous worship life is full of breathtaking vistas risky mountain passes and challenging climbs Come along for the ride Read *The Worship Journey* The Day I Met Jesus Frank Viola,Mary DeMuth,2015-02-24 Two thousand years ago Jesus Christ met face to face with people just like you Broken imperfect sometimes fearful and without hope *The Day I Met Jesus* is a beautifully crafted narrative that chronicles the remarkable encounters of five women in the Gospels who were desperate

to find wholeness security and purpose Like all of us these women struggled with the regrets of their pasts the stresses of their presents and the worries of their tomorrows Join Frank Viola and Mary DeMuth on a fascinating journey back in time as they retell the dramatic accounts of five women who met Jesus Each narrative is told from each woman s unique perspective yet tightly grounded in the Gospel accounts and faithful to first century history Elegantly written and profoundly stirring this book blends creative narrative with uncommon insight spiritual depth and practical application If you are someone who seeks a renewal of hope faith and love *The Day I Met Jesus* will make your Bible come to life and usher you into a fresh encounter with your Lord

Insurgence Frank Viola,2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ In *Insurgence* bestselling author Frank Viola presents a radical proposal for Christians Namely that we have lost the explosive earthshaking gospel of the kingdom that Jesus Paul and the other apostles preached Viola argues that we ve lost this dynamic titanic living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism In today s politically charged era Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God Viola challenges and dismantles these perspectives offering a fresh and revolutionary look at the gospel of the kingdom Viola writes with gripping power challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom This high octane message is being reclaimed today launching a spiritual **insurgence**

Reimagining Church Frank Viola,2008 Author Frank Viola presents a compelling case for a new kind of church based on the model for fellowship found in Acts Redefine expectations and reimagine a life changing church

Jesus's Manifesto Roman A. Montero,2019-04-24 Jesus s Manifesto The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6 20 49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience Jesus s Manifesto demonstrates how the Sermon s ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon s message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them Jesus s Manifesto provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain
