Tainted Love Stewart Home,2005 Partially based on diaries kept by the author s mother this kaleidoscopic view of 60s counterculture shows how the optimism of swinging London imploded into nihilism and drug addiction Arriving in the Smoke at the age of sixteen in 1960m narrator Jilly O Sullivan lands gainful employment as a high class hostess Fresh out of school Jilly joins the exclusive scene that was swinging before the rest of London By the time of the hippie explosion she s not only

mixing with slumlords gangsters and black power activists but narcophilic faces like Alexander Trocchi Brian Jones Michael Reeves and John Lennon When Jilly drops acid it s so that she might become a cosmonaut of inner space and by 1965 heroin is her chosen method of coming down from LSD fuelled highs Propelled through a world of Hindu gurus Islamic mystics bent coppers and decadent aristocrats Jilly lives fast and knows everyone From her grass smoking and CND supporting beatnik youth through to her death at the end of the 70s Jilly s story allgorises the fatal trajectory of London s flower children who were reluctant to let go of hedonism even when the party was well and truly over **The Code of the Warrior** Shannon E. French,2003-03-12 Warrior cultures throughout history have developed unique codes that restrict their behavior and set them apart from the rest of society But what possible reason could a warrior have for accepting such restraints Why should those whose profession can force them into hellish kill or be killed conditions care about such lofty concepts as honor courage nobility duty and sacrifice And why should it matter so much to the warriors themselves that they be something more than mere murderers The Code of the Warrior tackles these timely issues and takes the reader on a tour of warrior cultures and their values from the ancient Greeks and Romans to the barbaric Vikings and Celts from legendary chivalric knights to Native American tribesmen from Chinese warrior monks pursuing enlightenment to Japanese samurai practicing death Drawing these rich traditions up to the present the author quests for a code for the warriors of today as they do battle in asymmetric conflicts against unconventional forces and the scourge of global terrorism Dragon Michael Jahn, Mike Jahn,1993 Tie in to the electrifying new film from Universal Pictures about the all time master of martial arts Bruce Lee He fought his way up from the streets of Hong Kong to become a legend streetfighter trainer movie idol and superstar He lived a life as fast and furious as the films that made him an international sensation Based on the screenplay by Edward Khmara John Raffo and Rob Cohen **Computer Gaming World** ,1995 **TV Guide** ,1991 **Hong Kong Action Cinema** Bey Logan,1996 From the dazzling choreography of martial arts movies to the gore of the heroic bloodshed genre Hong Kong action films are masterpieces of style and fury and a prime source of inspiration for Hollywood Tracing the background of this enticing film genre from the influences of Chinese opera to the mixture of fantasy and fast paced action of the present day style this is essential reading for both the intrigued layman and the die hard Hong Kong fan Photos 95 in color
