Josh Barfield Scouting Report:

The Newberg Report Jamey Newberg,2009-12-15 The Newberg Report pulls back the curtain on The Texas Rangers baseball team by taking a look at everything from what the organization does to the intuitive emphasis on the how and the why The book now in its 10th edition encourages casual fans to get more involved while providing hardcore fans with a forum to discuss their beloved team It s written by baseball guru Jamey Newberg **Rotisserie League Baseball** John Benson,2006 The B-List: 2007 Steve Buffum,2008 All over the world the statues of Mary are miraculously crying In the meantime a journalist in Washington D C is diverted away from her own personal demons when she takes it upon herself to question why the Vatican is not declaring these occurrences as miracles after witnessing the unexplainable phenomena herself The journalist suspects her nightly barrage of haunting nightmares about the violent murders of countless women from five thousand year old priestesses to women accused of being witches in the seventeenth century may have something to do with the answer as she investigates the biggest story of her life Women all over the world in the 21st century are feeling the awakening as the discovery of ancient artifacts are disproving the beliefs set forth by patriarchal religions for thousands of years When the journalist receives a visitation from a beautiful Goddess who at first appears to be the Virgin Mary she suddenly realizes that an ancient religious and political cover up has grossly distorted some very important historical truths As the journalist investigates and begins to publicly write about what she has uncovered death threats and terror follow next as powerful members of the world s patriarchal religions and the age old male run organizations that support them fight viciously to keep one of the world s oldest and most deceptive societal form of control against women hidden from the world But as intimidation and threats increase so too do the miracles and visitations from the real Sleeping Goddess as she awakens once again to bless and protect the world while igniting the hearts and souls of oppressed women everywhere
