1001 Pitfalls In Spanish Holt & Dueber, 2010-09-01 Students studying Spanish on both elementary and intermediate levels will find this book to be a useful supplement to their main textbooks. It reviews the most commonly made errors in speaking, reading and writing Spanish. The authors focus on tricky vocabulary, idioms, technical terms and other details in Spanish grammar and usage that differ markedly from English. This newly updated edition has been given an attractive new layout and cover design with type in a second color to emphasize key points as well as a larger page count. Students will also find more examples and exercises with answer keys.

Historia de la Donzella Teodor Isidro J. Rivera, Donna M. Rogers, 2000 This is the first English edition and critical study of the *Historia de la Donzella Teodor*, an anonymous thirteenth century text about the disputations of a learned young woman with a series of wise men. The text recounts the story of a young slave who is offered to the king in the hopes of saving her master from financial ruin. Intrigued by claims of her superior intelligence, the Caliph orders his court scholars to quiz the girl Teodor, who in each of the examinations demonstrates unparalleled skills and triumphs over the scholars. Based on the five extant manuscripts of the thirteenth century, Teodor, the present edition will be of immediate interest to scholars and students of medieval Spanish literature and a valuable resource for those interested in Hispano Arabic literary and cultural contact and due to the complete semi-paleographic transcriptions of all the witnesses to historical linguists. Since the critical material is in English, it will reach an audience beyond the Iberian peninsula and further comparative research in medieval literary studies.

1001 Pitfalls in Spanish Marion Peter Holt, Julianne Dueber, 1973 A supplementary textbook outlining fundamentals of the Spanish language and providing help for common obstacles such as complex sentence structure, vocabulary and telephone conversations.
