La Photographie De Mode Un Art Souverain

Annelies Wilder-Smith

La Photographie De Mode Un Art Souverain:

La photographie de mode Frédéric Monneyron, 2014-10-01 T00:00:00+02:00 Essai philosophique et sociologique qui renchérit sur un précédent ouvrage de l'auteur La frivolité essentielle publié dans la même collection Perspectives critiques en 2001 et repris en poche en 2008 Il se propose tout d'abord de montrer comment la photographie en général et la photographie de mode en particulier ont eu bien des difficultés au cours des dernières années à passer du statut d'art mineur à celui d'art part entière Dans un second temps puisque la photographie de mode est devenue aujourd'hui art il s'interroge sur ses fonctions esthétiques analysant successivement ses relations au vêtement qu'elle est censée présenter au mannequin qui porte celui-ci et au contexte général dans lequel l'un et l'autre s'inscrivent Dans un dernier temps c'est l'imaginaire de la photographie de mode qui devient l'objet de l'enquête Il est tudi dans sa dimension sociologique comme un moyen de pénétrer sous la surface sociale dans les aspirations et les craintes des sociétés puis en confrontant l'imaginaire photographique d'une période et celui de certains des photographes de mode les plus représentatifs il permet de comprendre le succès ou l'insuccès des seconds

Fashion Cultures Revisited Stella Bruzzi, Pamela Church Gibson, 2013-12-04 Following on from the groundbreaking collection Fashion Cultures this second anthology Fashion Cultures Revisited contains 26 newly commissioned chapters exploring fashion culture from the start of the new millennium to the present day The book is divided into six parts each discussing different aspects of fashion culture Shopping spaces and globalisation Changing imagery changing media Altered landscapes new modes of production Icons and their legacies Contestation compliance feminisms Making masculinities Fashion Cultures Revisited explores every facet of contemporary fashion culture and the associated spheres of photography magazines and television and shopping Consequently it is an ideal companion to those interested in fashion studies cultural studies art film fashion history sociology and gender studies

La mode Frédéric Monneyron, 2015-04-09 La mode en tant que concept et phénomène social est une création occidentale elle est en outre intimement liée à l'avènement exclusivement occidental lui aussi de sociétés fondées sur l'individu qui se substituent progressivement aux sociétés traditionnelles fondées sur le groupe ou la société tout entière partir de ce constat Frédéric Monneyron propose une double réflexion et d'une belle profondeur D'abord sur les évolutions de la mode il examine minutieusement ses origines socio-culturelles et son devenir jusqu'à nos jours explore les divers contextes dans lesquels elle se panouit analyse ses rapports avec les aspirations populaires bref dévoile l'ensemble des processus complexes qui gouvernent la pluralité des modes Ensuite sur les évaluations de la mode en effet il en vient à étudier le discours qui cherche à valuer les caractéristiques essentielles de la mode en interroge le sens et la fonction C'est ainsi que l'on découvre la philosophie du vêtement de Balzac les réflexions sur la légance de Barbey d'Aurevilly les analyses de Baudelaire sur l'art ou l'artifice de la mode Sans oublier les sociologues Tarde Durkheim K nig Bourdieu les économistes Veblen les sémiologues Barthes et la perspective des femmes sur la mode Hollander Steele Mais ne nous y trompons pas cet essai n'est rien d'une compilation il participe d'une réflexion fondamentale sur la

sociologie de la mode et suppose un renversement de perspective lequel implique de poser le vêtement non plus comme l'élément second accessoire mais comme l'élément premier fondateur déterminant les comportements individuels comme les structures sociales puis de considérer position encore plus iconoclaste que non seulement il ne suit pas l'histoire mais qu'il la précède et que c'est peut-être même en parlant chiffon que commence tout changement social d'importance
