

The background of the book cover is a detailed illustration of three women wearing niqabs. The woman in the center is wearing a blue niqab, while the women on the left and right are wearing maroon and black niqabs, respectively. Only their eyes are visible through the slits. The overall tone is somber and evocative.

Samia Shariff

Le Voile De La Peur:

Le Voile de la peur Samia Shariff, 2012-01-24T00:00:00-05:00 Samia est encore toute petite lorsqu'elle comprend qu'elle n'est pas la bienvenue dans cette riche famille musulmane où la présence d'une fille est une véritable punition d'Allah. Son père la domine, sa mère la rejette et ses deux frères, adolescents conscients du traitement injuste dont elle est victime, ne peuvent rien pour elle. Elle est seule au monde et lorsqu'on daigne s'adresser à elle, ce n'est jamais pour la porter aux nues. Elle n'a que seize ans lorsqu'on la marie malgré son emploi de son père. Un régime de terreur s'installe alors dans sa nouvelle demeure. Elle se tourne vers son père et sa mère pour obtenir de l'aide, mais elle reçoit toujours la même réponse : elle est une femme et une femme doit respecter et obéir à son mari, peu importe quelle circonstance. Battue et violée, Samia ne peut appuyer que sur elle-même pour se sortir de ce cauchemar qui ne finit plus. Les années passent et la situation ne fait que se détériorer. De surcroît, l'Algérie a basculé dans l'intégrisme religieux, l'usage du chantage et de la peur est devenu quotidien. Samia, maintenant mère de plusieurs enfants, n'aurait jamais pu imaginer qu'une seule idée en tête : fuir vers la liberté, fuir pour respecter sa promesse faite à ses petits : un jour, la lumière et la paix seront au menu tous les jours de leur vie. Mais sa route est jonchée de milliers d'obstacles et de dangers mortels.

Le voile de ma peur Samia Shariff, 2024-10-30T00:00:00-04:00 Samia a cinq ans quand elle comprend qu'elle est seule au monde. En Algérie, au sein de sa riche famille musulmane, la naissance d'une fille n'apporte que honte et déshonneur. Totalement dominée par un père violent, honnie par une mère victime consentante de la tradition, elle n'a que seize ans lorsqu'on la marie de force à un homme beaucoup plus vieux qu'elle ne connaît pas. Un régime de terreur s'installe bientôt dans sa nouvelle demeure. Battue et violée, elle se tourne vers ses parents pour avoir de l'aide, mais reçoit toujours la même réponse : elle est une femme et une femme doit respecter et obéir à son père dans toutes les circonstances. Les années passent et son cauchemar perdure. De surcroît, le pays bascule dans l'intégrisme religieux. Maintenant mère de six enfants, Samia n'a d'autre choix que de fuir. Il lui faut absolument soustraire sa progéniture, surtout ses deux filles, à cette culture misogyne qui leur refuse le moindre droit. Ainsi s'amorce son long et périlleux parcours vers la liberté. Au fil des preuves, elle obtiendra le statut de réfugiée puis de haute lutte, sa citoyenneté canadienne. Voici son récit oscillant entre la peur et l'espoir.

Le voile de la peur Samia Shariff, 2006 **Le Coffret de la délivrance** Samia Shariff, 2013-11-20T00:00:00-05:00 Plus de 500 000 exemplaires de ces témoignages ont déjà été vendus à travers le monde au format papier.

Le voile de la peur : [récit] Samia Shariff, 2006 **French-speaking Women Documentarians** Janis L. Pallister, Ruth A. Hottell, 2005 French Speaking Women Documentarians is a guide for teachers of French and others interested in selecting and researching the work of female French speaking documentarians. Represented in this book are filmmakers from Canada, various African nations, the Antilles, Lebanon, Switzerland, Belgium, and several other countries, with emphasis on Agnès Varda of France, arguably the greatest female documentarian of all. The book includes information on each filmmaker, classified by country of origin, and lists and describes her works, giving factual information such as date, duration,

credits and synopses and pointing out critical treatments both in English and in French of her most important films Shorts docudramas and works of animation are also discussed as they too reflect history and culture This guide will lead to the viewing of films that shed understanding on the culture being portrayed and to a greater appreciation of the contribution of French speaking women filmmakers to this important if not always objective film genre **Lumière sur les racines**
