Misguided Jason Fort, 2014-11-05 An Egyptian holy man for the religion of Islam is assassinated and the killer leaves a gold cross as his calling card The same Christian assassin kills on US soil and it is now up to the FBI and Interpol to bring him to justice FBI Agents John Knox and Beth White team up with Interpol Inspector Malik Sharif but they are at a loss when the assassin leaves no trace of evidence at crime scenes Meanwhile the assassin is starting his own personal war with Muslims and the government he works for becomes suspicious Can a Christian FBI agent and a Muslim Interpol officer put aside their differences and perhaps even use them to track down the assassin Can Agent White battle her spiritual demons Can the agents find the killer before the media turns the case into an international religious circus Join the investigators on a journey that will remind you of the latest assassin style video game and your latest crime novel But before it's all over ask yourself is the assassin any different than you or me or is he just Misguided This is the first book in a series titled the Knox Mission Join John Knox and Malik Sharif in future titles This work was inspired by encouragement from friends and family and the author owes his many thanks to the people that helped make this possible Jason E Fort is a police officer for one of the largest healthcare systems in the southeast He uses his experience as a law enforcement officer bouncer teacher coach and parent to help him in writing characters that are as real as your next door neighbor Jason is happily married and has a 12 year old son who aspires to be an officer in the Air Force one day When his son was born he began toying with the idea of becoming a best selling author and this book is his first real step in that direction **Do No Harm** Ernest van Eck, George R. Hunsberger, 2025-04-21 This Festschrift in honor of Professor Charles Fensham aims to celebrate his remarkable contributions to the fields of missiology and systematic theology as well as his advocacy for the rights of the LGBTQI2 community His books include Emergence from the Dark Age Ahead 2011 To the Nations for the Earth 2013 Misguided Love 2019 and Mission as Penance Pickwick Publications 2023 His scholarly work has left an indelible mark on academia inspiring generations of students and researchers and therefore the hope is that this Festschrift will be a testament to his influence in public missiology and theology **The Heart of Torah, Volume 2** Shai Held, 2017 In The Heart of Torah Rabbi Shai Held's Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God's summoning of each of us with all our limitations into the dignity of a covenantal relationship Doctrine and Experience Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine experience neither or both If in one which and why not the other If in both how might the two co exist without cancelling out each other's distinctives If in neither then what practical value does

either have for the Christian life In this book the author has combined critical research pastoral awareness and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst In an attempt to purge these idols and bridge the gap this book contextualizes the biblical teachings and practices of our original spiritual instructors asking the double edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord The author concludes that evangelicals should seek an incarnate cross centered spirituality that is informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways **The Heart of Torah, Volume 2** Shai

Held,2017-09-01 In this collection of Torah essays Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Back cover

Christian Nation ,1923 **The Shape of Christian History** Scott W. Sunquist,2022-06-28 How should thoughtful Christians especially historians and missiologists make sense of global Christianity as an unfolding historical movement Highlighting both the continuity and the diversity within the Christian movement over the centuries this comprehensive resource from Scott Sunquist offers a framework for how to read and write church history Christianity in Central Tanzania Mwita Akiri,2020-02-14 In the telling of the history of the Church Missionary Society CMS in Tanzania the initiatives contributions and experiences of indigenous teachers have too often been neglected in favour of stories of sacrifices of Western missionaries Bishop Mwita Akiri redresses this bias by using a socio historical approach written from an Afro centric tradition to evaluate the contributions and experiences of indigenous agents in the growth of Christianity in Tanzania This book underscores the significance of oral tradition in African historiography and challenges the claim that foreign missionaries succeeded in destroying African cultures when they are in fact alive and well This much needed research also provides a model for dialogue between the perspective of Christian missions and that of African religious and social heritage in order to continue forward with a Christianity that is authentic and also distinctly African *From Crisis to Christ* Paul N.
