National 5 Added Value Unit:

Scottish Education T. G. K. Bryce, 2018-06-21 Interrogates the rise of national philosophies and their impact on cosmopolitanism and nationalism *Class Rules* James McEnaney, 2021-09-08 Every single person in Scotland has some kind of stake in the effectiveness of the nation's schools so in writing this book my goal was to explain the intricacies and inconsistencies of the system and to explore its strengths and weaknesses in a way that would make sense to as many people as possible How much do we really know about the state of Scottish education Why do inequalities continue to dictate the school experiences of children across the country What can be done to address the problems in the school system James McEnaney does what he claims pundits and politicians cannot or will not do tell the truth about Scottish schools *Class Rules* makes the key issues and information surrounding Scotland's education system accessible to all McEnaney delves into the successes and failures of the Curriculum for Excellence interrogates the rhetoric around closing the attainment gap between the richest and poorest pupils and considers the impact of the global Covid 19 pandemic Most importantly this book also looks to the future to ask what changes can be made to improve the system for young people across the country and is a must read for anyone interested in the future of schools in Scotland **Circular** Canada.
