**Jesus and the Eyewitnesses** Richard Bauckham, 2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness **Jesus and the Eyewitnesses, 2d ed.** Bauckham, Richard, 2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions asserting instead that they were transmitted in the name of the original eyewitnesses Jesus: A Very Short Introduction Richard Bauckham, 2011-07-28 Bauckham shows that Jesus was devoted to the God of Israel with a special focus on God's fatherly love and compassion and like every Jewish teacher he expounded the Torah but did so in his own distinctive way

**Eyewitness** Frank Ball, 2008-07-01 The Bible has sold more copies than any other book and continues to sell year after year Continuing in its footsteps is the Eyewitness series written for the average person Flash back to first century AD One man appeared who shook up the world Four men testified to what they saw and heard The details of Jesus life were recorded by four of his closest followers Each account is written from a different perspective and only one of the four tells the events in chronological order Therefore for centuries the accounts have been told in out of sequence fragments Eyewitness compiles the information from the Gospels and hundreds of other Bible verses into one chronological story laid out like a story without reference or verse The result is a seamless combination of the four gospel books that will appeal to customers across the board even those who would not normally purchase a Bible Multiple bindings and an aggressive advertising and marketing campaign will insure this line carries strong sales for years to come **Themelios, Volume 33, Issue 1** D. Sample Text     **They Were Eyewitnesses** Nancy A. Almodovar, 2021-07-23 For many of today's Christians their go to style of proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true faith     **Eyewitnesses!** Chuck Zehnder, 2014-10-07 What if Lukes interviews were found No original autographs of any of the New Testament have even been found Very early copies of some of the books and letters exist and early codices also exist but when it comes to original handwritten notes they remain hidden Eyewitnesses covers an archaeological dig sometime in the future in modern Romes ancient catacombs The dig uncovers an earthenware jar containing Lukes original interviews with some of the personalities in his Gospel account These accounts are much more detailed than Luke was spiritually led to record in his Gospel In Eyewitnesses you will meet some of the people who are only mentioned in passing others who have greater backgrounds than recorded and some we have never even heard of because Luke didnt include them     The Testimony of the Beloved Disciple Richard Bauckham, 2007-11 A leading New Testament scholar explores key issues in the Gospel of John     Climate and Christ Edward P. Ehrman, 2016-03-01 The bestselling author of Misquoting Jesus one of the most renowned and controversial Bible scholars in the world today examines oral tradition and its role in shaping the stories about Jesus we encounter in the New Testament and ultimately in our understanding of Christianity Throughout much of human history our most important stories were passed down orally including the stories about Jesus before they became written down in the Gospels In this fascinating and deeply researched work leading Bible scholar Bart D Ehrman investigates the role oral history has played in the New Testament how the telling of these stories not only spread Jesus message but helped shape it A master explainer of Christian history texts and traditions Ehrman draws on a range of disciplines including psychology and anthropology to examine the role of memory in the creation of the Gospels

Explaining how oral tradition evolves based on the latest scientific research he demonstrates how the act of telling and retelling impacts the story the storyteller and the listener crucial insights that challenge our typical historical understanding of the silent period between when Jesus lived and died and when his stories began to be written down As he did in his previous books on religious scholarship debates on New Testament authorship and the existence of Jesus of Nazareth Ehrman combines his deep knowledge and meticulous scholarship in a compelling and eye opening narrative that will change the way we read and think about these sacred texts     *Nova Et Vetera* ,2008     **Eyewitness Gospel** Matthew,2022-07-16 Eyewitness Gospel is the greatest story ever told retold using only the combined testimony of Matthew Mark Luke and John as one account in chronological order Each section provides scripture references to easily locate the original testimony within The Holy Bible Nothing has been added to or subtracted from details provided by Matthew Mark Luke and John This is the true story of Jesus Christ from birth to resurrection Red Letter Edition Words of Christ are printed in red     **Pillars in the History of Biblical Interpretation, Volume 3** Stanley E. Porter,Zachary K. Dawson,2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar s an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development

*Restoring Jesus* Dr. Jeffery Elliott,2018-12-11 In less than fifty years a pagan world was turned upside down by Jesus fever Everyone wanted to be like Jesus His followers were called little Christs or Christians Converts were being added to the local church daily and the message of the gospel was exciting But today Jesus has become a ridiculed figure in society and an embarrassment to Christians What happened In *Restoring Jesus* you will see the gospels in a fresh light that goes back to the first century to discover who Jesus really is Author Dr Jeffery Elliot invites you to think about why the apostles believed in Jesus so strongly that they were willing to die torturous deaths what made them so confident in Jesus identity But through their own eyewitness accounts we can have our sight restored to the truth and believe in Jesus just as the apostles did Read ancient prophecies revel in divine signs explore eyewitness accounts and comb through historical documents to find the hidden truth that is missing from the church today Although many in the church today have had their eyes diverted from the

Introduction to the Literary Art of the Gospel of John Paul Jaesuk Jo, 2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John's message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book takes you to see John in its grand design
