Media Ethics Goes to the Movies Howard Good, Michael J. Dillon, 2002-03-30 Certain films seem to encapsulate perfectly the often abstract ethical situations that confront the media from truth telling and sensationalism to corporate control and social responsibility Using these movies including Ace in the Hole All the President's Men Network and Twelve Angry Men as texts authors Howard Good and Michael Dillon demonstrate that when properly framed and contextualized movies can be a powerful lens through which to examine media practices Moreover cinema can present human moral conduct for evaluation and analysis more effectively than a traditional case study can By presenting ethical dilemmas and theories within a dramatic framework Media Ethics Goes to the Movies offers a unique perspective on what it means for media professionals to be both technically competent and morally informed

Journalism in the Movies Matthew C. Ehrlich, 2010-10-01 From cynical portrayals like The Front Page to the nuanced complexity of All the President's Men and The Insider movies about journalists and journalism have been a go to film genre since the medium's early days Often depicted as disrespectful hard drinking scandal mongering misfits journalists also receive Hollywood's frequent respect as an essential part of American life Matthew C Ehrlich tells the story of how Hollywood has treated American journalism Ehrlich argues that films have relentlessly played off the image of the journalist as someone who sees through lies and hypocrisy sticks up for the little guy and serves democracy He also delves into the genre's always evolving myths and dualisms to analyze the tensions hero and oppressor objectivity and subjectivity truth and falsehood that allow journalism films to examine conflicts in society at large

Desperately Seeking Ethics Howard Good, 2004-09-08 Trends prevailing in the media suggest a seemingly disintegrating concept of media ethics It is no surprise being ethical is hard work and could very well put a person in conflict with prevailing trends Many of the people cited within the 13 essays of Desperately Seeking Ethics illustrate this from Socrates and Martin Luther King Jr who both died for their principles to reporter David Kidwell of the Miami Herald who chose jail over testifying for the prosecution in a murder trial This is not just another media ethics book

Engaging and non conventional it breaks away from the usual text practice of presenting the ethical theories of well known philosophers in watered down form Instead the contributors all of whom teach media ethics select a poem movie song speech or other cultural document analyze it for implied or explicit ethical lessons and then apply the lessons of that work to a specific case that involved controversial media conduct In addition to endnotes each chapter contains questions for discussion and a list of further readings Where possible the contributors have included all or part of the poems speeches and other documents they analyze as sources of ethical instruction and inspiration Heroes and Scoundrels Matthew C. Ehrlich,Joe Saltzman,2015-03-15 Whether it s the rule defying lifer the sharp witted female newshound or the irascible editor in chief journalists in popular culture have shaped our views of the press and its role in a free society since mass culture arose over a century ago Drawing on portrayals of journalists in television film radio novels comics plays and other media Matthew C Ehrlich and Joe Saltzman survey how popular media has depicted the profession across time Their creative use of media artifacts provides thought provoking forays into such fundamental issues as how pop culture mythologizes and demythologizes key events in journalism history and how it confronts issues of race gender and sexual orientation on the job From Network to The Wire from Lois Lane to Mikael Blomkvist Heroes and Scoundrels reveals how portrayals of journalism s relationship to history professionalism power image and war influence our thinking and the very practice of democracy
