La Vie Devant Moi Biographies Autobiographies:

Notes and Materials for an Adequate Biography of the Celebrated Divine and Theosopher, William Law, 1854 The Memoirs of Toussaint and Isaac Louverture Arthur F. Saint-Aubin, 2015-07-15 This book examines the memoir of Toussaint Louverture a former slave general in the French army and leader of the Haitian Revolution and the memoir of his son Isaac The Revolution and its leaders have been studied and written about extensively Until recently 2004 however the memoir of Toussaint has received little attention and only as a historical document This is the first study that explores the 1802 work foremost as a literary text a creative production that deploys the techniques of fiction and drama to make truth claims about the past moreover this is the first book length study of Isaac Louverture s memoir The two texts are read as examples of how black men thought of themselves as men citizens and therefore how they expressed their masculinity at that historical moment as experiences of mourning and loss This study builds upon three areas of scholarship the tradition of memoir writing historicist readings of Toussaint s memoir and descriptions and theories of men and masculinity within the black Atlantic The study distinguishes itself in ways that will make it of interest to more than just historians in addition to using the intersection of race and masculinity as an analytical tool it speaks to the nature of literary creativity and it draws from studies examining the relationship between history memory and fiction As a result scholars and students in literary and cultural criticism as well as those in gender and diasporic studies will also find this study of interest and value *Angelic Echoes* Ralph William Sarkonak, 2000-01-01 In this study Ralph Sarkonak examines many aspects of Guibert s life and production the connection between his books and his photography his complex relationship with Roland Barthes and with his friend and mentor Michel Foucault **Catalogue of Printed Books in the Library of the British Museum** British Museum.
