Holy Mary aid the miserable assist the desponding strengthen the weak pray for the people plead for the clergy intercede for the devout female sex Let all who have recourse to thee experience the efficacy of thy help HOLY CHURCH First published in 1909 more than 50 years before the Second Vatican Council Vatican II MARY HELP OF CHRISTIANS Novenas in Preparation for the Principal Feasts of the Blessed Virgin provides at once a thorough education concerning the very special role of the Blessed Virgin Mary in the life of every Christian and a practical manual for Her veneration according to the most ancient Traditions of the Church This inspiring collection of Marian and Saintly theology and instruction is an indispensable addition to the religious library of every serious Catholic believer NO CATHOLIC denies that Our Lord Jesus Christ is the only mediator through whose merits we became reconciled to God Nevertheless it is a doctrine of our faith that God willingly grants us grace if the saints and especially the Blessed Virgin Mary the queen of saints intercede for us If the saints during their life on earth were so potent with God that through their prayers the blind obtained sight the deaf hearing and the dumb speech that the sick of all conditions were healed the dead restored to life and the most obstinate sinners converted if thousands of other miracles in the order of nature and of grace were performed through their intercession what then will not she obtain for us from God whose virtue and merits transcend those of all the saints and who did more for the greater honor and glory of God than they all Mary is the queen of saints not only because she is the Mother of the Most High but also because her sanctity is more perfect than theirs and she therefore thrones above them all in heaven Hence the favor with which God regards her and consequently the power of her intercession with Him is so much the greater If Mary s sanctity thus impressively illustrates the potency of her intercession the contemplation of her dignity as the Mother of God does still more so Mary brought forth Him who is the Almighty She calls Him her Son who by the word of His omnipotence created

from out of nothing the whole world with all its beauties and who can call into being countless millions of other worlds She calls Him her Son whose throne is heaven and whose footstool is the earth who governs all nature with almighty power and reveals His name to mankind through the most astounding miracles In a word Mary calls Him her Son whose omnipotence fills heaven and earth and this great almighty God who honors her as His Mother and has wrought in her such great things will He not heed her word of intercession and hear her pleading for those who have recourse to her On earth He was subject to her Her intercession moved Him to exercise His omnipotent power at the wedding feast at Cana and now when He has glorified and raised her up so high He would let her invoke Him in vain No it is inconceivable that God should not hear the prayers of His Mother
