The Circassian Miracle: the Nation Neither Tsars, nor Commissars, nor Russia Could Stop Adel Bashqawi, 2019-12-11

This work is dedicated to Circassia the historical homeland of the Circassians who inspired and encouraged emerging generations to maintain the torch of freedom and to lead the way despite all obstacles and attempts of exclusion that have been tested over the years Since the subjugation of their homeland the Circassians were subjected to harsh conditions in all walks of life which wasn't easy to withstand and get through This meant a dictatorial savage direct military and security jurisdiction and domination for the duration of both tyrant tsarist imperial and Soviet Communist eras From the beginning of the 1990s on the general situation has been quite different concerning the circumstances that the Circassian affairs have been clutched to After decades of being forgotten the people of the Caucasus region and the world at large have started to become enlightened with information that was prevented and blocked from the public Even the historians specialists and academicians were not in the picture of the pain destiny and suffering that the Circassian nation was inflicted with for decades specifically since the occupation and deportation of 1864 Russia's First Civil War Chester S. L.

Dunning, 2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal Instead most rebels were petty gentry professional soldiers townsmen and cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers **Free Russia** William Hepworth Dixon, 1872 **The Heart of Russia** Scott M.
