Mixed-Ability Classrooms, 2nd edition Carol Ann Tomlinson, 2001-04-15 Curiosity and inspiration are powerful catalysts for learning. In this 2nd edition of a book that has provided inspiration to countless teachers, Carol Ann Tomlinson offers three new chapters, extended examples, and information in every chapter, and field-tested strategies that teachers can use in today's increasingly diverse classrooms. Tomlinson shows how to use students' readiness levels, interests, and learning profiles to address student diversity. In addition, the author shows teachers how to differentiate or structure lessons at every grade level and content area to provide scaffolds as well as high-speed elevators for the content of lessons. The processes used in learning and the products of learning. Teachers can draw on the book's practical examples as they begin to differentiate instruction in their own classrooms. Strategies include curriculum compacting, sidebar investigations, entry points, graphic organizers, contracts, and portfolios. As Tomlinson says, "Differentiation challenges us to draw on our best knowledge of teaching and learning. It suggests that there is room for both equity and excellence in our classrooms." How is this book different from the 1st edition? 3 new chapters focusing on teacher responses to student differences, providing new examples and strategies addressing parent involvement and discussing grading and assessment; 16 new illustrations showing examples of differentiated content, products, and processes; New foreword; More references and resources; New larger format and design.
