Lacey Filipich,2020-02-18 Time poor is the catch cry of our era and yet end of life retirement means we have an average of two decades of feeling time rich to look forward to when we re old How arse about is that But there is an alternative to working your butt off for decades and retiring when you re worn out it s called financial independence and it means being able to cover life s essentials and afford the luxuries you want without having to turn up to a job each day Imagine the freedom and flexibility to work if when and where you like go travelling spend time with family or start that business you ve been dreaming of And with enough time and a way to earn it s achievable for most people through the power of passive income Lacey Filipich knows because she s done it herself and has been teaching the strategies and steps for financial independence for a decade through her education company Money School Now she ll teach you all her tried and true lessons for redesigning your personal finances to create the life you really want From maximising your income and cutting costs without big sacrifice to property shares and retirement funds Money School explains exactly how to build a passive income that will completely change your life Take control of how you spend your time and money to make them work for you and get on the fast track to being financially independent and time rich
