Letters of Napoleon to Josephine Napoleon I (Emperor of the French), 1931 **The Life of the Empress Josephine** P. C. Headley, 2021-02-16

Born on the island of Martinique the romantic Josephine found herself at the center of events that would forever change the world In 1856 writer P C Headley released the thrilling biography of the famed Josephine Empress of the French from 1804 1810 famed romantic and renowned patron of the arts After her first husband Alexandre de Beauharnais met the guillotine in 1794 the beautiful widow with two children embarked on an unlikely romantic relationship with one of history's most notorious men This restored edition of Headley's classic features Enlarged 7 x 10 pages for easy reading Author's original page layouts Classic weathered type font New retro style cover design Josephine was a model of character Headley wrote her biography to make the study of her life more general and to extend the admiration of her pure beauty in contrast to all the forms of corruption that humanity could present in a period of bloody Revolution He felt that The Empress was a greater personage than Napoleon in the elements of moral grandeur and retained her sovereignty in the hearts of the people while he ruled by the unrivaled splendor of his genius The name Josephine is invested with a romantic and mournful interest From the quiet life of her island home she rose to the splendor of royalty which borrowed lustre from her virtues then heart broken found retirement where with a meek resignation that contrasts beautifully with the untamed ambition of the illustrious exile of St Helena she lived till her death
