We Are Taught to Have Clarity. But What if the Fog Is the Gift?
For years I strode through the world with certainty in my step. I knew who I was...or so I thought. I performed the successful woman script. Perfectly. Until I didn't.
Midlife has a way of undoing us. Not just the things we do or the roles we play. But our very identity. The scaffolding falls away. Sometimes slowly. Sometimes overnight. And we're left asking:
• Who am I, really, when no one else is watching?
• What if I no longer want what I used to chase?
• Is it selfish to want something that feels deeper, truer?
From where I stand, looking back on my own unraveling, this moment is not about losing yourself. It's about reclaiming the self you left behind.
