Journal Making Decision

Ale Smidts

Journal Making Decision:

Strategic Decisions Vassilis Papadakis, Patrick Barwise, 2012-12-06 Over the past ten years there has been growing interest in the process of strategic decision making among both managers and researchers Strategic decisions are important for five main reasons They are large scale risky and hard to reverse they are a bridge between deliberate and emerging strategies they can be a major source of organizational learning they play an important part in the development of individual managers and they cut across functions and academic disciplines Strategic Decisions summarizes the current state of the art in research on strategic decision making with chapters prepared by leading strategy researchers The editors also present implications for current application and proposed directions for future research

Judgment and Decision Making David Hardman, 2009-02-09 Judgment and Decision Making is a refreshingly accessible text that explores the wide variety of ways people make judgments It examines assessments of probability frequency and causation as well as how decisions are rendered under conditions of risk and uncertainty Topics covered include dynamic everyday and group decision making individual differences and the nature of mind and brain in relation to judgment and decision making Offering up to date theoretical coverage including perspectives from evolutionary psychology and neuroscience this volume has everything a psychology student needs for BPS accreditation whilst drawing out the practical applications for non psychology students with plentiful examples from business economics sport law and medicine The latest addition to the BPS Textbooks in Psychology series this thorough text provides a succinct reader friendly account of the field of judgment and decision making
