W. A. T. Training Manual** Shaolin Abrams,2018-01-10 There s a great war being waged in the world today and it s not a conflict between nations tribes or government leaders It s not a rebellion or coup but it s an important invisible battle taking place in the spirit world The Bible states that GOD s people are destroyed because of lack of knowledge Hosea 4 6 One of the main areas in which

Believers are being defeated due to lack of knowledge is in spiritual warfare The early Church viewed their spiritual experience in terms of warfare and military terminology is used throughout the New Testament Protection was seen in the Armor of GOD and the Word of GOD was compared to a sword Satan s attacks were called fiery darts and faith was the good fight and Believers were told to war a good warfare The early Church knew they were engaged in an intense spiritual struggle and the same spiritual battle continues today but instead of fighting the enemy Believers are often building great church buildings producing musical dramas holding fellowship meetings and fighting one another while this great spiritual battle wages around them Satan has even intensified his attacks against a church that has withdrawn from the front lines of battle and in these perilous and evil days are upon us it s even more important for Believers to understand spiritual warfare than in the early days of church history The Apostle Paul warned 2 Timothy 3 1 This know also that in the last days perilous times shall come In order to be properly prepared for these perilous times renewed emphasis must be placed on the strategies of spiritual warfare because the Christian life is war and the sooner we recognize and prepare for it the sooner we will experience victory Luke 14 31 says What king going to make war against another king sitteth not down first and consulteth whether he is able with ten thousand to meet him that cometh against him with twenty thousand No king ever entered into a battle without a careful examination of his resources and development of battle strategies but in essence that s what we are doing in this training manual We are making a careful evaluation of the strategy weapons and power available to us to win the war against our enemy Satan In the military world strategy is the science of forming and carrying out military operations and it is the method or plan which leads to the goal of victory The Empowerment Manual for Spiritual Warfare Craig,1998-09-01 A Manual for Spiritual Warfare Robert Scott,2025-05-07 This book is a manual for the hidden war that rages within every human soul a war that is not fought with flesh and blood but against the passions the demons and the spiritual confusion of our age It is written for those who seek to fight this war not by their own strength but with the proven weapons of the Church the Jesus Prayer and the Psalms These are not relics of the past but living burning prayers swords of the Spirit that have cut through darkness in the deserts monasteries prisons and homes of countless saints We live in a time of unprecedented distraction moral confusion and spiritual warfare Many souls including clergy and faithful find themselves disoriented discouraged or spiritually asleep The Church offers not novelty but timeless wisdom The Jesus Prayer Lord Jesus Christ Son of God have mercy on me a sinner is a distillation of the Gospel and a weapon forged by the breath of the Holy Spirit The Psalms are not only prayers but cries of war lament repentance and praise that have sustained the people of God from King David to Christ Himself and to this very hour This manual does not aim to entertain or theorize but to instruct guide and inspire Drawing from Scripture the Holy Fathers and real life examples of contemporary saints it outlines the mindset disciplines dangers and hope of the spiritual life It is written for those who know they are in a battle and who desire by God s mercy to endure to the end Let the struggle begin not in fear but in faith Christ has already conquered Let us now
