

# Managerial Economics

12th Edition

The background of the cover is a stylized illustration of a baseball field. The infield is a light tan color, and the outfield is a vibrant green. Overlaid on the field is a graph with several lines and data points. A prominent blue line starts at the pitcher's mound and trends upwards towards the right field. A red line starts near the first base line and trends upwards towards the right. A green line starts near the third base line and trends downwards towards the right. Various black dots are scattered along these lines and across the field, representing data points in an economic model.
