Young, Steve Erfle, 2013-11-06 For upper level undergraduate and first year MBA courses in managerial and applied economics This text will excite readers by providing a more linear progression while proving the consistency and relevance of microeconomic theory To strengthen students ability to use Excel a critical skill in today s job market new Excel Applications Excel Apps allow readers to turn the static figures and tables in the text into dynamic illustrations The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you ll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed

Managerial Economics Paul G. Keat, Philip K. Y. Young, Stephen Eugene Erfle, 2013 Directed primarily toward undergraduate MBA students in Economics this text also provides practical content to current and aspiring industry professionals This text will excite readers by providing a more linear progression while proving the consistency and relevance of microeconomic theory The Seventh Edition welcomes a new co author Stephen Erfle of Dickinson College who has contributed many revisions and improvements to the quantitative sections of the text as well as provided a major addition the use of Excel in the presentation of many of the numerical and graphical illustrations presented throughout the text To strengthen readers ability to use Excel a critical skill in today s job market new Excel Applications Excel Apps allow readers to turn the static figures and tables in the text into dynamic illustrations

Managerial Economics Paul G. Keat, Philip K. Y. Young, Stephen Eugene Erfle, 2017

Managerial Economics Paul G. Keat, Philip K. Y. Young, 2000 Illustrating the theory of managerial economics with an integrated case on the soft drink industry this text shows students how to solve real business problems by enabling them to apply economic principles to everyday business activity

Contemporary Sport Management 6th Edition Pedersen, Paul M., Thibault, Lucie, 2019 Thoroughly updated Contemporary Sport Management Sixth Edition offers a complete and contemporary overview of the field It addresses the professional component topical areas that must be mastered for COSMA accreditation and it comes with an array of ancillaries that make instruction organized and easy

Intermediate Microeconomics Steve Erfle, 2017-09-14 The overarching premise of this text is that microeconomics is most effectively learned in an active learning interactive environment Students have access to more than 200 Interactive Excel Figures in the online text that allow them to move the graphs using sliders and click boxes This interactivity helps students understand how graphic elements relate to one another These files do not require knowledge of Excel More figures than are typical and many of the figures involve multiple scenarios of the same basic graph Often the text employs interactive questions that require interpreting these scenarios questions posed are answered at the bottom of the

page Despite the geometric orientation this text is not light on algebraic analysis The geometry is backed up by the relevant algebra More than 500 equations are numbered for easy reference both within and across chapters And just like the geometry the algebra is essentially error free because it was used to create the graphs The geometric orientation is perfect for the non calculus enhanced classroom but the text can be readily used in a calculus based class because a calculus treatment of the material is provided in appendices and endnotes and calculus based problems are included in the Intermediate Microeconomics An Interactive Approach Workbook

Contemporary Sport Management, 5E Pedersen, Paul M.,Thibault, Lucie,2014-06-18 Contemporary Sport Management Fifth provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field The fifth edition continues to engage students with a full color format and an integrated web study guide The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management professions

Principles of External Business Environment Analyzability in an Organizational Context Abrantes, Bruno F.,2023-05-08 Principles of External Business Environment Analyzability in an Organizational Context by Bruno F Abrantes is a groundbreaking work on the topic of business environmental analysis BEA within strategic management Abrantes provides a comprehensive overview of the evolution of management theory narrowing the focus to organizational management and strategic management and delving into the intricacies of business environments He introduces the tenets of philosophy of management and analyzability exploring a wide range of analytical models and decision making strategies and offering over 50 models applicable to BEAP along with suggestions for an additional 50 models for decision making and project management This book is an essential resource for university and college students in business economics and marketing particularly those taking a strategic management course It provides a deep understanding of BEAP design and a critical sense for the philosophical questions behind analyzability in decision making Moreover it is a valuable reference source for management consultants and strategists looking to expand their horizons beyond their department or consultancy company Topics covered in the book include black swans environmental forecasting future thinking scenario planning VUCA and wild card among others Principles of External Business Environment Analyzability in an Organizational Context is a must read for anyone seeking to excel in the critical field of business environmental analysis

Microeconomics Ronald M. Ayers, Robert A. Collinge, 2004

Macroeconomics Richard T. Froyen, 2002 For courses in Intermediate Macroeconomics This text traces the history of macroeconomics the evolution of macroeconomic thought and the resulting theory and policy The book places the various macroeconomic theories in the order in which they developed chronologically and illustrates the similarities and differences of the models The author admires all points of view and the result is a comprehensive detailed unbiased view of modern macroeconomic theory Would you like a text that effectively compares and contrasts all the competing macroeconomic theories without espousing one particular point of view

Economics Ronald M. Ayres, Robert A. Collinge, 2005 This easy to read accessible macro first principles book engages readers with familiar real world examples and applications that bring economics to life The authors follow an Explore and Apply theme that shows learners how economics is a part of their everyday lives and how it can be a useful tool in making personal decisions and evaluating policy decisions

The Enhanced Edition contains more detail and more in depth coverage of key economic concepts expanded multiplier coverage new coverage of crowding out greater detail on exchange rates more extensive treatment of antitrust and much more For individuals interested in the principles of economics and how those principles effect the details of daily living

Books in Print ,1991 *The Making of Economic Society* Robert L. Heilbroner,William S. Milberg,2002 With its roots in history and eyes on the future this book traces the development of our economic society from the Middle Ages to the present offering a balanced perspective of why our economy is the way it is and where it may be headed It explores the catalytic role past economic trends and dynamics particularly capitalism have played in creating the present challenges we face and offers suggestions on how we may deal with them most effectively in the future Chapter topics include the economic problem the premarket economy the emergence of market society the industrial revolution the great depression the rise of the public sector modern capitalism emerges in Europe the golden age of capitalism the rise and fall of socialism the globalization of economic life and why some nations remain poor For individuals interested in the economic history of the U S

Microeconomics Robert S. Pindyck,Daniel L. Rubinfeld,2001 For courses in intermediate microeconomics microeconomic theory price theory and managerial economics The market leader in Intermediate Microeconomics the book is well known for its coverage of modern topics Game theory Economics of Information clarity of its writing style and graphs and integrated use of real world examples The book is used in both economics departments and business schools and is well received for its applied nature The emphasis on relevance and application to both managerial and public policy decision making are focused goals of the book It succeeds in showing how microeconomics can be used as a tool for decision making Review Copy

Ronald M. Ayers,2003-02-05 **Managerial Economics: Economic Tools for Today's Decision Makers, 5/e** Paul G.

Keat,2006 **Economic Development** Stuart R. Lynn,2003 This text for a first course in economic development covers key development topics such as human capital technology the environment and population growth Sections cover concepts and measurement of economic development resources for development productive sectors and the state and the internat The Economics of Women, Men, and Work Francine D. Blau,Marianne A. Ferber,Anne E. Winkler,2002 This text is designed for courses concerned with the economic status of women economics of gender and economics of the family but is also applicable to interdisciplinary women s studies courses introductory level courses in economic problems and as a supplement to general labour economics courses The book draws into a single accessible volume a summary and synthesis of research and data from economics and other social sciences on women men and work in the labour market and household
