Managing Leisure An International Journal:

Managing Events, Festivals and the Visitor Economy Michael B. Duignan, 2021-12-14 This edited text intended to support a research informed approach to learning and teaching presents an array of concepts collaborations and in depth cases related to managing events festivals and the visitor economy Authors offer an array of philosophical political cultural and ethical perspectives on how to achieve this across a range of contexts from Cambodia China Egypt to the British cathedral city of Lincoln Though recognising individual difference each chapter unites in their common pursuit of supporting the United Nations Sustainable Development Goals UNSDGs This is significant as utilising the UNSDGs as a normative organising framework for how we all think about plan and manage a good visitor economy is increasingly ubiquitous It is with this in mind that each chapter provides explicit links to the UNSDGs and policy and or practical implications along with a series of critical self assessment questions to reflect on the chapter s key arguments This collection aims to satiate what appears to be an increasing appetite of readers and students alike who seek exposure to rigorous debate in and out of the classroom

Creating and Managing a Sustainable Sporting Future Vassilios Ziakas, Aaron Beacom, 2020-06-09 Creating and Managing a Sustainable Sporting Future contributes to a critical understanding of the challenges key stakeholders across the globe encounter as they seek to manage periods of transition brought about by policy change relating to the provision of sport and physical activity The book uncovers the global challenges in terms of managing the re orientation of stakeholder activities and organisational strategies in response to the aspirations for a wider range of outcomes through sport based interventions and establishment of partnerships with non sport sectors It illuminates the increasingly erratic trajectory of sport development service providers as the environment within which sport organisations operate changes through for example climate change demographic shifts changing features of local economies and alterations to the structures of local government and governance and the responses of sport organisations to these new realities differ greatly depending on location institutional structures and leadership The chapters highlight the changing social economic environmental and policy contexts within which sports organisations operate and explain the subsequent need for new approaches to partnership working physical activity re scoping and integrated education programming Showing that the international mandate of creating active lifestyles and subsequent re orientation of stakeholders towards physical activity cannot only contribute to re defining sport but also in identifying novel ways for building and managing a sustainable sporting future Creating and Managing a Sustainable Sporting Future is ideal for Sports scholars and particularly those working on Sport Policy and Sustainable sport development This book was originally published as a special issue of Managing Sport and Leisure

Managing and Leveraging Events Nico Schulenkorf, Katie Schlenker, Hussain Rammal, Jon Welty Peachey, Ashlee Morgan, 2021-11-10 This book explores and advances the latest concepts and developments in event management theory and practice Drawing on the ever growing event management literature and supported by theories and

concepts from parent disciplines the book examines challenges and opportunities related to maximising business and social benefits for those working in different event management positions in a variety of contexts Written by an international team of five management scholars the book investigates event management and leverage from various angles including international business event business studies sport management community development and business strategy It does so by offering a combination of theoretical approaches as well as contemporary cases from around the world This book will be of interest to undergraduate and postgraduate students of event management as well as scholars researching in social and business related areas of event management and leverage Managing Agribusiness Effectively Aayushman

Dutta,2025-01-03 The illustrations in this book are created by Team Educohack Managing Agribusiness Effectively equips managers with the essential knowledge for technological and economic management of agricultural activities We start with an introduction to agribusiness focusing on the global agri food system and evolving agricultural practices You ll learn management principles for planning organizing controlling and directing functions across different stages of agriculture This innovative book blends traditional and modern management approaches aiming to develop the business aspect of agriculture We provide step by step guidance for planning and managing activities strategically By the end you ll be able to apply management principles effectively Our book also addresses marketing strategies for agri products and staying competitive We consider farmers fundamental needs and higher order operations discussing management challenges and market demands Based on extensive studies and research this book is a reliable guide for daily management issues in agribusiness

Managing Cultural Resources for the Tourist Paul Callaghan,Mike Robinson,Nigel Evans,1996 Tourism, Progress and Peace Omar Moufakkir,Ian Kelly,2010 Tourism has the potential to contribute to world peace and through appropriate management to address current realities such as globalization migration conflicts prejudices and poverty By providing a range of international perspectives and case studies this book discusses the interrelation between peace conflict resolution and tourism the role of industry and the role of the individual and tourism as a catalyst for change and development Exploring the ideas that there is more to peace than the absence of war and that there is more to tourism than economic interests this book is the first of its kind and an essential resource for researchers students and policymakers in tourism and related subjects *Managing Major Sports Events* Milena M. Parent,Aurélia Ruetsch,2020-11-29 Managing Major Sports Events Theory and Practice is a complete introduction to the principles and practical skills that underpin the running and hosting of major sports events from initial bid to post event legacy and sustainability Now in a fully revised and updated new edition the book draws on the latest research from across multiple disciplines explores real world situations and emphasises practical problem solving skills It covers every key area in the event management process including Bidding leadership and planning Marketing and human resource management Venues and ceremonies Communications and technology including social media Functional area considerations including sport protocol and event services Security and risk management

Games time considerations Event wrap up and evaluation Legacy and sustainability This revised edition includes expanded coverage of cutting edge topics such as digital media culture human resources the volunteer workforce readiness security and managing Games time Each chapter combines theory practical decision making exercises and case studies of major sports events from around the world helping students and practitioners alike to understand and prepare for the reality of executing major events on an international scale Also new to this edition is an Outlook Trends and Innovations section in each chapter plus tips from leading events professionals Managing Major Sports Events Theory and Practice is an essential textbook for any course on sports event management or international sports management and an invaluable resource for all sport management researchers practitioners and policymakers Online resources include PowerPoint slides multiple choice questions essay questions stories and decision making exercises Sport and Society Barrie Houlihan,2003-04-21

Organized around four themes key to the study of sport perspectives inclusion commercialization and the international context this text provides a student introduction to the field **Proceedings** North American Society for Sport History,2006

Managing Heritage and Cultural Tourism Resources Dallen J. Timothy,2007 Part of a three volume reference series which provides an authoritative and comprehensive set of volumes collecting together the most influential articles and papers on tourism heritage and culture This first volume deals primarily with issues of conservation interpretation impacts of tourism and the management of those impacts **Research Quarterly for Exercise and Sport** ,2003-03 After the Gold

Rush Anthony Vigor,Melissa Mean,Charlie Tims,2004 The Olympic Games always generates a great deal of enthusiasm and expectation Hosting the greatest show on earth is seen by some as a once in a lifetime opportunity to provide new infrastructure and deliver benefits to local residents and communities Those organising the London 2012 bid are no different claiming a Games would deliver a legacy of new sporting facilities thousands of new jobs new businesses a step change in the nation s physical activity and ultimately a transformation of the East End of London But an analysis of past Games reveals that there is no automatic Olympic dividend with the benefits often failing to flow to the people and places most in need What is clear is that those cities that have secured a more sustainable legacy have embedded the Olympics within a broader urban strategy The challenge for London is to integrate the preparation for and hosting of the Games into a broader social policy agenda from the outset The contributors to this report analyse the challenges facing the organisers and offer a practical vision for a London Games which brings a sustainable legacy for employment sport culture the environment and local communities **Sport and Gender in Canada** Kevin Young,Philip White,2007 This contributed volume includes articles on sport and gender written by leading scholars in their areas of expertise Part I demonstrates that 1 the relationship between sport and gender has not developed in a smooth uncontested or linear way that always privileges all males and always discriminates against all females and 2 that the relationship between sport and gender can best be understood sociologically by tracing the intersections between sport gender and other ways that Canadian life has been and remains stratified such as

social class age race ethnicity and sexuality In Chapter 1 Melissa Parker and Philip White explore the chronological development of theoretical frameworks addressing both the gendering of sport and what it means to be gendered in sport Michael Atkinson argues in Chapter 2 that there is a strong link between types of research methods used and knowledge claims made by researchers In Cultural Struggle and Resistance Gender History and Canadian Sport M Ann Hall traces the early moments of organized women s sport in Canada to show that women s sport in Canada is built on far stronger foundations than is often assumed In the following chapter Kevin Wamsley argues that not all men were privileged by early Canadian sport practices For instance he outlines the process through which sport became an arena for the construction of particular types of masculinity notably masculinities that helped reinforce the dominance of powerful groups of men Beginning from the premise that Canadian society and thus Canadian sport is far from classless Peter Donnelly and Jean Harvey provide numerous examples in Chapter 6 to show that there have been major social class and gender inequalities throughout the history of sport Again we are reminded that gender is a complex and multidimensional phenomenon that can best be understood if we trace power differences not only between different groups of men and women but also between different versions of masculinity and femininity associated with particular social groups social classes and social settings Part II of this book focuses on the work currently being done by leading researchers in the area of sport and gender in Canada on a broad spectrum of sport related topics The chapters reflect a variety of theoretical standpoints and methodological procedures These chapters emphasize the need to study gender in a way that is not only non categorical but perhaps moves beyond the distributive level towards understanding how sport assumes particular forms at particular historical junctures and grows out of relations of power that are determined culturally and reinforced ideologically In Chapter 6 Sally Shaw and Larena Hoeber show how the prevalence of gendered discourses hinders the achievement of gender equity in Canadian amateur sport organizations The idea that there is no singular masculinity and femininity operating within Canadian sport is developed in Chapter 7 in which Philip White and Kevin Young review research findings on gender and rates and types of sport injury In Chapter 8 Caroline Davis observes that some femininities are more closely associated with body image disorders than others and discusses the biological sociological and psychological factors acting on the relationship between sport physical activity and eating disorders Chapter 9 by Peter Donnelly Who s Fair Game Sport Sexual Harassment and Abuse identifies how power differences tend to exist at the heart of abusive and exploitive sport based relationships Notions of power relations are also central to Chapter 10 written by Patricia Vertinsky and Sandra O Brien Cousins on the effects of gender on participation in sport among older Canadians Specifically their chapter demonstrates how older women are disadvantaged relative to men when it comes to involvement in sport and physical activity Victoria Paraschak s chapter on sport and Canada s First Nations peoples Chapter 11 provides vivid examples of how unequal gender relations are created and reproduced over time Chapter 12 calls for a collapsing of the rigid binary categories of hetero homosexuality on the

grounds that these are used to preclude full and equal gay and lesbian participation in sport Identifying patterns of exclusion from participation in sport and physical activity is also the focus of Chapter 13 which is authored by Wendy Frisby Colleen Reid and Pamela Ponc This chapter demonstrates how a combination of poverty and prevailing municipal recreation department policies seriously limit the opportunities of many women from active recreation In Chapter 14 Brian Wilson explores how the media reinforces taken for granted understandings of gender appropriate orientations toward the body and sport In the following chapter Jamie Bryshun and Kevin Young provide some of the first substantial evidence for the routine involvement of female athletes in initiation hazing rituals in Canada and conclude that power relations between neophyte and veteran female players may be just as aggressive coercive and high risk as those occurring on male teams Sport and Gender in Canada reflects a growing body of work highlighting the diversity that exists among Canadian sportswomen and sportsmen in terms of factors such as age race heritage sexuality and social class To speak of a generic sporting masculinity or femininity or indeed of a generic sporting experience simply does not do justice to the complexity of Canadian sporting life

Journal of Hospitality and Tourism Management ,2002 **Managing Urban Tourism** Stephen Page,Colin Michael Hall,2003 An holistic analysis of tourism as an urban phenomenon examining the challenge of developing harnessing and managing urban tourism The text develops concepts from outside tourism providing a basis for students to undertake research outside traditional confines **Tourism Recreation Research** ,2008 **New Serial Titles** ,1996 A union list of serials commencing publication after Dec 31 1949 *Fulltext Sources Online* ,2007 **The Management of Sport** Bonnie L. Parkhouse,2001 This edition is tailored around the informational needs of the sport manager and benefits from new contributors in the specialty areas of organizational theory economics experiential learning human resources management and sport governance Ulrich's International Periodicals Directory Carolyn Farquhar Ulrich,1999 Contains essential bibliographic and access information on serials published throughout the world

Decoding **Managing Leisure An International Journal**: Revealing the Captivating Potential of Verbal Expression
