Doing Life with Mandela Christo Brand, 2014-03-03 When separate worlds collide I was 19 years old when I came face to face with Nelson Mandela He was 60 Until that day I had never heard of him or his African National Congress I was his prison warder on Robben Island and he changed my life forever The two of them one a young white warder the other serving a life sentence should have become bitter enemies Instead they formed an extraordinary friendship through small acts of human kindness Christo a gentle young man who valued ordinary decency and courtesy struck a chord with the wise and resilient freedom fighter This bond of trust endured between the two men long after Mandela was freed In this book Christo tells for the first time the incredible and moving story of their unlikely friendship He provides rare and personal insights into Mandela's life during his years on Robben Island

**Mandela - My Prisoner, My Friend** Christo Brand, 2014-02-17 Christo Brand was a South African farm boy born into the Afrikaans culture which had created apartheid a racial system designed to persecute black people while claiming superiority for white people Nelson Mandela the black son of a tribal chief also raised in a rural village trained as a lawyer to take up the fight against apartheid on behalf of a whole nation Their opposing worlds collided when Christo a raw recruit from the country's prison service was sent to Robben Island to guard the notoriously dangerous terrorists Mandela was their undisputed leader The two of them a boy of 19 and a long suffering freedom fighter then aged 60 should have become bitter enemies Instead they formed an extraordinary friendship through small human kindnesses Christo a gentle young man who valued ordinary decency and courtesy struck a chord with the wise and resilient freedom fighter a man who was prepared to die if necessary to liberate his people As an African tribesman family was a priority for Mandela and he knew that his life imprisonment meant that he might never be able to live with them again When his mother died he was refused permission to go to her funeral as the eldest son Mandela held a great responsibility towards her and he wept with shame and despair Christo was witness to that despair many times during his years as Mandela's personal prison warder He knew the heartbreak he suffered at never being able to see his children So when Winnie secretly brought their tiny granddaughter to Robben Island it was Christo who risked his own freedom to put the baby in Mandela's arms for a few moments Their friendship was sealed by many such shared moments sometimes merely a gesture or a smile at other times an act of generosity which could have cost Christo his job This bond of trust endured between the two men long after Mandela was freed As President of South Africa he invited Christo into his home advised his son Riaan on his career and gave Christo a job in the Constitutional Assembly in Parliament drawing up the country's new laws Shortly before passing away he called for Christo again for the final time to say goodbye In this book Christo tells for the first time the incredible and moving story of their unlikely friendship

**Mandela** Christo Brand, Barbara Jones, 2014-10-02 Christo Brand was Nelson Mandela's prison warder on Robben Island for many years In this book Christo tells for the first time the incredible and moving personal story about his unlikely friendship with one of the biggest political icons of the modern age

**Goodbye Bafana** James Gregory, Bob Graham, 1995-01-01      *Goodbye Bafana* James Gregory, 1995      *Exception to the Rule: The Surprising Science of Character-Based Culture, Engagement, and Performance* Peter J. Rea, James K. Stoller, Alan Kolp, 2017-09-15 The antidote to navigating turbulent times isn't more rules. It is timeless virtue that creates sustainable value. Thoughtful leaders are keenly aware of the enormous challenge they face to drive high performance in a world that continues to ratchet up pressure and uncertainty. Some leaders respond by getting tough and establishing strict rules. They get people in line, but they don't inspire excellence. Wise leaders, on the other hand, help their people practice character to navigate their way through the turbulence without lowering performance expectations. As a result, their people are more reliable under pressure. *Exception to the Rule* links ancient wisdom with contemporary science on high performance teamwork and engagement. Building an organizational culture based on classical virtues of trust, compassion, courage, justice, wisdom, temperance, and hope is both strategically smart and a better way to live. *Exception to the Rule* walks you through the steps of helping everyone in your organization focus on character defined by virtue. The word virtue means excellence, which is why each one is essential to help people perform at a high level despite uncertainty and pressure. Under character-based leadership, teams work better together, creativity flourishes, and engagement increases. The most powerful idea of *Exception to the Rule* is this: character defined by virtue is not based on birthright; it can be learned and practiced. Everyone can develop habits to become better than they were. While character cannot be legislated, character can be cultivated. As virtue proves its value, the culture you have can evolve into the culture you need.      **My Friend, Mandela** Denis Herbstein, The troublemaker That's what people said he would be. Negotiating the Past Sarah Nuttall, Carli Coetzee, 1998 Nations as well as individuals are in many ways the sum of their memories, which are shaped by perception as much as by events. This collection of essays by South African academics looks at the ways the country is dealing with its past, a complex mixture of colonialism, slavery, apartheid, struggle, and guilt. The emphasis is on how that past is being perceived and moulded in the post-apartheid era.      History Making and Present Day Politics Hans Erik Stolten, 2007 In this collection, some of South Africa's most distinguished historians and social scientists present their views on the importance of history and heritage for the transformation of the South African society. Although popular use of history helped remove apartheid, the study of history lost status during the transition process. Some of the reasons for this, like the nature of the negotiated revolution, social demobilization, and individualization, are analyzed in this book. The combination of scholarly work with an active role in changing society has been a central concern in South African

history writing This book warns against the danger of history being caught between reconciliation commercialization and political correctness Some of the articles critically examine the role of historians in ideological debates on gender African agency Afrikaner anti communism early South African socialism and the role of the business world during late apartheid Other contributions explore continuing controversies on the politics of public history in post apartheid South Africa describe the implementation of new policies for history education or investigate the use of applied history in the land restitution process and in the TRC The authors also examine a range of new government and private initiatives in the practical use of history including the establishment of new historical entertainment parks and the conversion of museums and heritage sites For readers interested in nation building processes and identity politics this book provides valuable insight

Heroic Reputations and Exemplary Lives Geoffrey Cubitt, 2000 Covering periods ranging from the later Middle Ages to the end of the 20th century these essays combine to offer a wide ranging examination of the place of hero worship and of exemplary biography in modern history and culture The book seeks to contribute to a growing historical literature on the cults and reputations of heroes and other exemplary figures such as Plato Isaac Newton David Livingstone Captain Scott Florence Nightingale and Nelson Mandela The essays explore and illustrate the diverse ways in which the lives and characters of specific individuals have been used as devices for talking about moral and cultural values and political and social identities
