L'action publique environnementale au Québec Annie Chaloux, 2017-04-17 T00:00:00-04:00 Comme la question environnementale préoccupe une large part de la population mondiale l'environnement est désormais un champ d'action incontournable pour plusieurs gouvernements et celui du Québec n'est pas en reste. Cet ouvrage apporte un éclairage sur les idées, les institutions, les acteurs et les dynamiques en place qui entendent répondre aux défis et aux enjeux actuels. Ses auteurs étudient le rôle des idées et des idéologies dans l'évolution du mouvement vert au Québec et la place des partis verts dans les systèmes électoraux canadiens et québécois. Ils analysent également l'institutionnalisation de la question environnementale dans une perspective aussi bien locale que régionale ou même mondiale. Des études de cas sur la gestion de l'eau, le marché du carbone, la transition énergétique permettent enfin aux lecteurs de mieux comprendre les volets pratiques de l'action publique environnementale au Québec. Annie Chaloux est professeure à l'école de politique appliquée de l'Université de Sherbrooke et spécialiste des politiques environnementales et climatiques québécoises ainsi que des négociations climatiques internationales.

I Wish for Change Kyle Schwartz, 2019-07-16 From the author of I Wish My Teacher Knew how grownups can empower children to stand up for what they believe in. Third grade teacher Kyle Schwartz often tells her students: "You are not here so you can make money in a decade. You are here so you can make a difference now." Young people are up for the task. In the face of school shootings, cyberbullying and other challenges students face at school, there are students who are changing the world right now. In *I Wish for Change*, teacher and author Kyle Schwartz equips both teachers and parents to help children stand up for what they believe is right and make value-driven decisions. She shows how children's adaptability, vulnerability and empathy make them excellent agents for change, as well as how to teach children about the mechanics and structures of power so they can effectively change them. Filled with inspiring stories from Kyle's students and educators around the nation, as well as practical replicable strategies for the classroom, *I Wish for Change* is the guide for every teacher, educator and parent to show kids that their voice matters.
