## ABC Nonprofit

### Part 1: Introduction and Administration

This Board Policies Manual (BPM) contains all of the current standing (on-going) policies adopted by the board of (insert name of organization) since the initial approval on [insert date of the board meeting when parts or the whole BPM were first approved].

**1.1 Reasons for Adoption.** Our reasons for adopting this BPM include:

- \* Efficiency of having all on-going board policies in one place
- \* Ability to quickly orient new board members and key staff to current policies
- \* Elimination of redundant, or conflicting, policies over time
- \* Ease of reviewing current policy when considering new issues
- \* Clear, pro-active policies to guide the President/Executive Director (CEO) and staff
- \* Models an approach to governance that other organizations might use

**1.2 Consistency.** Each policy in this document is expected to be consistent with the law, the Articles of Incorporation, and Bylaws, all of which have precedence over these board policies. Except for time-limited or procedural-only board decisions (approve minutes, elect an officer, etc.), which are recorded in regular board minutes, all standing policies shall be included or referred to in this document. The CEO is responsible for developing organizational and administrative policies and procedures that are consistent with this BPM.

**1.3 Transition.** Whether adopted part by part or as a complete document, as soon as some version of the BPM is voted on as the “one voice” of the board, those policies are deemed to supersede any past policy that might be found in old minutes or any compilation of board policies over the years, unless a prior board resolution or contract obligates the organization to a specific matter. If any actual or apparent conflict arises between the BPM and other policies or board resolutions, the matter shall be resolved by the Chair or the entire board as may be appropriate.

**1.4 Changes.** These policies are meant to be reviewed constantly and are frequently revised and refined to reflect new wisdom. The CEO helps the board formulate new language in the BPM by distributing proposed changes in advance. We will use software that shows all changes for readers to review easily, gr when language is recommended for deletion, it is shown in ~~strike-through~~ format and proposed new language is underlined. Each section with a proposed change will be preceded by the # sign to help readers quickly locate proposed changes. Any final change to this BPM must be approved by the full board. Any board member as well as the CEO may submit proposed changes. In most

**National Parole Board Policy Manual** Canada. National Parole Board,1992 Policy and Procedures Manual Canada. National Parole Board,1988 **The Oxford Handbook of Sentencing and Corrections** Joan Petersilia, Kevin R. Reitz,2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues **NPB Policy Manual** ,1999 These policies are consistent with and supportive of the Corrections and Conditional Release Act which requires that the Executive Committee adopt policies for decision making in all cases coming before the National Parole Board for review and that Board members exercise their functions in accordance with these policies para 151 2 a and ss 105 5 The principles governing pre release decision making are stated to introduce the risk assessment process which examines identified risk factors presented by the offender whose potential for release is being assessed and the specifics of different types of pre release decisions which follow Reconciliation and Indigenous Justice David Milward,2022-04-01T00:00:00Z The horrors of the Indian residential schools are by now well known historical facts and they have certainly found purchase in the Canadian consciousness in recent years The history of violence and the struggles of survivors for redress resulted in the Truth and Reconciliation Commission which chronicled the harms inflicted by the residential schools and explored ways to address the resulting social fallouts One of those fallouts is the crisis of Indigenous over incarceration While the residential school system may not be the only harmful process of colonization that fuels Indigenous over incarceration it is arguably the most critical factor It is likely that the residential school system forms an important part of the background of almost every Indigenous person who ends up incarcerated even those who did not attend the schools The legacy of harm caused by the schools is a vivid and crucial link between Canadian colonialism and Indigenous over incarceration Reconciliation and Indigenous Justice provides an account of the ongoing ties between the enduring trauma caused by the residential schools and Indigenous over incarceration **Introduction to Psychology and Law** James R.P. Ogloff, Regina A. Schuller,2001-04-15 Despite the notable Canadian presence in the field of psychology and law there is currently no comprehensive Canadian textbook on the subject While a few U S textbooks cover the field they give little or no attention to Canadian law and research In recognition of this problem editors Regina Schuller and James Ogloff have put together an authoritative introduction to law and psychology for a Canadian audience Within the fifteen chapters that comprise the book leading Canadian scholars cover a wide range of topics spanning the applications of psychology clinical social cognitive developmental experimental in both criminal and civil areas of law These include memory and eyewitness testimony the jury sentencing competency to stand trial criminal responsibility and many others The legal system in Canada serves as the backdrop for each of the chapters which begin with an interesting case or anecdote that introduces the reader to some of the major issues facing psychologists and lawyers in this country The book offers a compelling introduction to the field and a unique perspective to Canadian readers

especially students in psychology criminology and other disciplines in social science and law Honouring Social Justice Margaret E. Campbell, Stephanie Wellman, 2023-12-19 Justice Indigenous Peoples and Canada A History of Courage and Resilience brings together the work of a number of leading researchers to provide a broad overview of criminal justice issues that Indigenous people in Canada have faced historically and continue to face today Both Indigenous and Canadian scholars situate current issues of justice for Indigenous peoples broadly defined within the context of historical realities and ongoing developments By examining how justice is defined both from within Indigenous communities and outside of them this volume examines the force of Constitutional reform and subsequent case law on Indigenous rights historically and in contemporary contexts It then expands the discussion to include theoretical considerations particularly settler colonialism that help explain how ongoing oppressive and assimilationist agendas continue to affect how so called justice is administered From a critical perspective the book examines the operation of the criminal justice system through bail specialized courts policing sentencing incarceration and release It explores legal frameworks as well as current issues that have significantly affected Indigenous peoples such as the Truth and Reconciliation
