to Joshua Harris's revolutionary *I Kissed Dating Goodbye* is designed to spark dialogue and get people talking openly and honestly about relationships. It's practical and versatile and can be used in personal study with a small group of friends or in a church-based class. Book jacket *Dating Differently* Joshua Engelsma, 2014-10-10. We're bombarded with antichristian messages everywhere in life and from casual hookups to casual sex, our culture's messages on dating are no different. But Christians don't have to follow these norms. The Bible gives us a better way. It's a way of chastity and wisdom. A way that understands that marriage, the end goal of dating, is for life. The person you marry will shape who you become spiritually. And that person will also be the father or mother to the children. God is pleased to give you some day. Pastorally and accessibly, Joshua Engelsma answers the practical questions of Reformed Christian dating based on the truth that we must date differently, with marriage as the goal and scripture as the guide.

Look Before You Leap Bcc Regina Stafford, 2014-01. The concept in this book was born out of over 25 years of experience working with couples. Many couples said they saw red flags while dating but thought things would get better and change once they got married. Being in love blinded their eyes or better judgment of how marriage only intensifies those red flag issues. There is a real need for an understanding of what the dating and courtship experience is all about. We do more research when buying a car than we do in choosing a lifetime partner. *Look Before You Leap* is a simple and easy-to-understand guide to help single men and women know the different phases of dating so that they can make the best possible choice for their mate. You'll never look at dating the same. Regina Stafford has written a practical book on dating that is based on her experience with her husband Thomas as well as much time spent counseling couples in our local church. She has seen firsthand the heartbreak and devastation that takes place when people mimic the world instead of the Bible as their guide for healthy relationships. I especially pray that young people would embrace these principles. Dr. Joseph G. Mattera, Presiding Bishop of Christ Covenant Coalition and Overseeing Bishop of Resurrection Church, Brooklyn, NY. Regina Stafford is a Board-Certified Life and Wellness Coach with over 25 years experience working with couples. She received her certifications from New York University and Light University, an affiliate of the American Association of Christian Counselors (AACC). Regina is also the Founder of Rewards Coaching Website www.rewardscoaching.com.
