Are you looking for a manual that will expose you to all the amazing features of your device and 2020 macOS Catalina 10.15? Then get your hands on this book and have an amazing time using your device. Apple updated the MacBook Air in a major way in mid-March 2020. While it may look like the previous version on the surface, dig a little deeper, and you'll see it's the most significant upgrade since the 2018 redesign, offering buyers much more interesting customization options. The third iteration of the new MacBook Air design finally nails every area well enough to make this the best MacBook for most people. The keyboard is the star of the show here. Yep, that's right. Apple ditched the disastrous butterfly keyboard for its Magic Keyboard, and all I can say is thank goodness. Even with all these new features, Apple still managed to keep the starting price at a relatively affordable 999. The MacBook Air 2020 comes with all the right improvements without sacrificing the best features of the previous version. Apple didn't reinvent the
