Classical Southern Cooking Damon Fowler, 2009-09 Damon Lee Fowler's critically acclaimed and award-nominated celebration of classic Southern cooking returns to print in a fully revised and updated edition. Hailed as a bible of Southern foodways and a major contribution to the literature of American culture, this compendium of more than two hundred traditional recipes broke new ground in food writing. Rooted in meticulous scholarship, a passion for good cooking, and a deep love for the unique culture of the South, Classical Southern Cooking presents the history and substance of this cuisine in a uniquely casual and anecdotal way that has earned it a reputation as a modern classic. Sandyisms Sandy Holthaus, 2012-04-09 In this book, columnist Sandy Holthaus covers everything from "The Coldest Place on Earth" (an outhouse seat in January) to "How to Hire a Hit Man for a Chihuahua" (all tied together with more than 200 recipes that are delicious and easy to prepare). Against her better judgment, she has even included a few zucchini recipes, but she'd rather you crave this squash into a boat and send it down the river. If you love to eat and enjoy a good story, you are holding the right book. **The American Century Cookbook** Jean Anderson, 1997 For the past ten years, Jean Anderson has been on a quest to search out the most popular recipes of the 20th century and to chronicle 100 years of culinary change in America. The result is a rich and fascinating look at where we've been: at the recipes our mothers and grandmothers loved and at how our own tastes have evolved. The more than 500 cherished recipes in these pages are mainstays of American home cooking: the recipes that have remained favorites year after year. For the smallest sampling: California dip, Buffalo chicken wings, vichyssoise, tuna noodle casserole, Swiss steak, frosted meat loaf, tamale pie, corn dogs, lobster rolls, classic green bean bake, perfection salad, green goddess salad, frozen fruit salad, chiffon cake, brownies, chocolate chip cookies, chocolate decadence. Beyond this collection is Jean's exploration of the diversity of our nation's cuisine and our adoption of such foreign dishes as pizza, gazpacho, lasagne, moussaka, and tarte tatin. Her painstakingly researched text includes extensive headnotes, thumbnail profiles of important people and products (from Fannie Farmer to James Beard and from electric refrigerators to the microwave), and a timeline of major 20th-century food firsts. In recording popular recipes that might have been lost in setting them in richly detailed historical context, Jean Anderson has written her masterwork. The American Century Cookbook may well be the most important new cookbook of the decade; it is certainly the book America will love. Recipes of Relatives Janett Lee Wawryzniak, 2011-02-16 Whether to dine in a restaurant or at home, a memorable meal is a creative event. The flair in presentation of treasured classic and favorite recipes, fresh made, is often time- and cost-effective. An essential cookbook you can't do without. Cooking Adventure: A World Shared by Relatives in a favorite collection. From foods of islands with white coral beaches glistening then off to major port cities presenting cuisines for every taste. Traveling adventure and its delicious recipes come from far-away ends of the oceans. Included are American, Canadian, Australian, and United Kingdom measurement tables for cross-reference. Many ingredients are normally stocked in kitchens, leaving few, if any, needs for
