

Macbeth

Study Guide (prepared by student teacher Alan Newton)

Act 1, Scene 1

Synopsis:

Three witches meet in a field and discuss plans for a future meeting with Macbeth.

Notes:

This opening scene is full of mystery and the supernatural. This sets the mood for the events to come. Also, the witches are very ugly and hideous in appearance. Much of the action to come could be described as ugly and hideous.

Line 10: "Fair is foul, and foul is fair." Things aren't what they seem to be. This introduces the important theme of appearance vs. reality.

Questions:

1. What type of mood or atmosphere is set by this scene?

Act 1, Scene 2

Synopsis:

A messenger tells the King (Duncan) and his two sons (Malcolm and Donalbain) that Macbeth has defeated and killed the rebel Macdonwald through fierce fighting. Macbeth has also driven back the king of Norway and has captured the rebellious Thane of Cawdor (a member of the Scottish nobility). Duncan orders the Thane of Cawdor to be put to death and that Macbeth be given his title.

Notes:

Though we are not given much background information, it is clear that Scotland has weak leadership. It has enemies from within and from outside. In fact, Scotland seems only to have been saved by the heroic efforts of one man, Macbeth.

Line 12: The image of blood is introduced. This image, which underscores the immense violence and bloodshed in this play, recurs throughout the play.

Questions:

1. Describe the conditions that exist in Scotland.
2. Do you feel that Duncan is a strong king? Does he seem to be a good man? Explain your answers.
3. How is Macbeth characterized in this scene?

Act 1, Scene 3

Synopsis:

The three witches are reintroduced and they are talking about their evil powers (they plot to destroy an innocent sailor). Macbeth and Banquo, two Scottish lords, are returning from battle when they are met by the witches who have been waiting for them. The witches greet Macbeth with three titles: Thane of Glamis (which he is); Thane of Cawdor (which he is but he doesn't know it); and King (which he will be). Macbeth is amazed. Banquo asks the witches if they are real or imaginary. The witches then tell Banquo that his future descendants will be kings, and then vanish. Two nobles approach and give Macbeth the King's congratulations. They tell Macbeth that he is the new Thane of Cawdor. At this point, Macbeth and Banquo realize that one of the witches' predictions has come true. Macbeth speaks his first soliloquy, which shows that he is torn in his feelings. He wants to be king, but realizes that he is contemplating murder. Then he realizes that he doesn't have to act: Fate will make him king without his doing anything. Finally, all head for Duncan's castle.
