Joshua L Chamberlain A Concise Biography Of The Iconic Hero:

Joshua L. Chamberlain Thomas A. Desjardin, 2014-11-07 Joshua Chamberlain is arguably the most well known figure in Maine history and this highly accessible biography provides a brief look at his life Covering his early years to his time as a student at Bowdoin the primary emphasis is on Chamberlain's military career and his heroic actions during the Civil War for which he was awarded the Medal of Honor After the war he served as governor of Maine and as president of his alma mater before his death in 1914 Filled with photos maps and illustrations this concise history of a Maine icon is ideal for anyone with even just a passing interest in Maine or the Civil War **On Great Fields** Ronald C. White, 2023-10-31 NATIONAL BESTSELLER From the author of *A Lincoln and American Ulysses* comes the dramatic and definitive biography of Joshua Lawrence Chamberlain the history altering professor turned Civil War hero A vital and vivid portrait of an unlikely military hero who played a key role in the preservation of the Union and therefore in the making of modern America Jon Meacham Pulitzer Prize winning author of *And There Was Light* FINALIST FOR THE GILDER LEHRMAN LINCOLN PRIZE AND THE AMERICAN BATTLEFIELD TRUST BOOK PRIZE FOR HISTORY Before 1862 Joshua Lawrence Chamberlain had rarely left his home state of Maine where he was a trained minister and mild mannered professor at Bowdoin College His colleagues were shocked when he volunteered for the Union army but he was undeterred and later became known as one of the North's greatest heroes On the second day at Gettysburg after running out of ammunition at Little Round Top he ordered his men to wield their bayonets in a desperate charge down a rocky slope that routed the Confederate attackers Despite being wounded at Petersburg and told by two surgeons he would die Chamberlain survived the war going on to be elected governor of Maine four times and serve as president of Bowdoin College How did a stuttering young boy come to be fluent in nine languages and even teach speech and rhetoric How did a trained minister find his way to the battlefield Award winning historian Ronald C White delves into these contradictions in this cradle to grave biography of General Joshua Lawrence Chamberlain from his upbringing in rural Maine to his tenacious empathetic military leadership and his influential postwar public service exploring a question that still plagues so many veterans How do you make a civilian life of meaning after having experienced the extreme highs and lows of war Chamberlain is familiar to millions from Michael Shaara's now classic novel of the Civil War *The Killer Angels* and Ken Burns's timeless miniseries *The Civil War* but in this book White captures the complex and inspiring man behind the hero Heavily illustrated and featuring nine detailed maps this gripping impeccably researched portrait illuminates one of the most admired but least known figures in our nation's bloodiest conflict The Hero of Little Round Top Charles River Editors, 2025-05-15 For much of the 20th century Joshua Lawrence Chamberlain's life and career remained mostly obscure outside of dedicated scholars of the Battle of Gettysburg and alumni and students of Bowdoin College Colonel Chamberlain had led the 20th Maine regiment at Gettysburg holding the extreme left of the Union line on Little Round Top and he continued to rise up the ranks toward the end of the war until he was commanding a brigade and

present at the surrender ceremony of the Army of Northern Virginia at Appomattox After the Civil War Chamberlain served as Governor of Maine and President of Bowdoin College Chamberlain had a respectable Civil War career and life but he had been largely forgotten in the decades after the Civil War with the focus on more influential commanding generals and their principal subordinates Then a remarkable thing happened with the 1974 publication of Michael Shaara's *The Killer Angels* a Pulitzer Prize winning historical fiction that focuses on the Battle of Gettysburg and its influential generals and leaders In one fell swoop Michael Shaara breathed life back into the reputations of men like John Buford and Joshua Chamberlain cast as the Union heroes of Day 1 and Day 2 respectively that made victory at Gettysburg possible In the novel Chamberlain's regiment holds the high ground against a series of desperate Confederate charges and when they ran out of gunpowder Chamberlain ordered a brave bayonet charge that drove the Confederates in their front from the fight With that the Union's left flank was saved Thanks to Shaara Ken Burns popular Civil War documentary prominently featured Chamberlain's involvement at Gettysburg and when Shaara's novel was turned into the critically acclaimed 1993 movie *Gettysburg* interest in Chamberlain and the 20th Maine swelled Chamberlain's reputation and role in the Civil War had been completely revived and the monument to the 20th Maine on Little Round Top became one of the premier tourist spots on the Gettysburg battlefield Naturally once more attention was focused on Chamberlain's record historians started to scrutinize his service and post war writings leading to ensuing controversies over just what happened on Little Round Top on July 2 1863 Furthermore there still remains debate over Chamberlain's participation during the surrender ceremony of the Army of Northern Virginia at Appomattox Whether definitive answers are ever reached there is no doubt that Chamberlain and the 20th Maine will continue to hold a secure and strong reputation in the coming decades The *Hero of Little Round Top* chronicles the life and career of Joshua Chamberlain examining his Civil War service and the debates over it as well as analyzing his legacy Along with pictures of important people places and events you will learn about Chamberlain like you never have before in no time at all

Joshua Chamberlain Edward G. Longacre, 1999-09-21 *The Man and the Soldier*

Joshua Chamberlain John J. Pullen, 1999 Pullen explores renowned military hero Joshua Chamberlain's later life through the lens of his Civil War experiences 24 illustrations

Joshua Chamberlain John J. Pullen, 2013 *Recounts Chamberlain's later life through the lens of his experience during the Civil War*

[Soul of the Lion](#) Willard Mosher Wallace, 1995 *Soul of the Lion* fills the last big gap in Civil War biography It is extraordinary that no previous life of General Joshua Lawrence Chamberlain the hero of Little Round Top at Gettysburg has previously appeared for Chamberlain was a truly great fighting general There are many who hold that Chamberlain's defense of Little Round Top turned the tide at Gettysburg and thus saved the Union Chamberlain was born a soldier but he planned originally to be a missionary A graduate of Bangor Theological Seminary he was an instructor in religion at Bowdoin College when the Civil War broke out and he discovered his true vocation His career was one of exceptional gallantry He was an officer always in the thick of battle

Fourteen horses were shot under him and finally he was terribly wounded yet recovered to fight in the closing campaigns of the War He was designated to receive the surrender of the Confederate infantry after the Appomattox meeting of Grant and Lee and he played the role with magnanimity Chamberlain s peacetime career was no less notable Four times he was elected Governor of the State of Maine and ha made a good governor Then he became president of Bowdoin College and instituted there a progressive educational policy declaring that we must also take hold of which we call science and which makes knowledge power In 1880 Chamberlain unarmed and alone faced down at Augusta the capital of Maine a mob that threatened to kill him With magnificent courage he said I am here to see that the laws of this state are put into effect I am here for that and I shall do it If anybody wants to kill me for it here I am Chamberlain was a State of Maine man to the marrow of his bones He was born on a farm at Brewer Maine where today a big bridge is named after him he was Maine educated he served with Maine regiments he was active in Maine politics and president of Bowdoin Maine s great college he closed his life of service by acting as Port Surveyor at Portland Book jacket *Joshua Lawrence Chamberlain* William Michels,2017-02-15 A short biography of General Joshua Lawrence Chamberlain best known as a hero of the Battle of Gettysburg His star has risen as a result of the Ted Turner movie about Gettysburg which has greatly increased interest in his life For those who desire an overview of his life without getting into the weeds of a lengthy treatment this book is for you

Joshua Chamberlain Jessica Elizabeth Brunelle,Joshua Lawrence Chamberlain,2010 *Joshua Chamberlain* Edward G. Longacre,2003-12-25 Joshua Chamberlain became the hero of Gettysburg when he and his regiment the 20th Maine bravely held Little Round Top against a determined Rebel assault Chamberlain s reputation as a celebrated soldier continued to grow in the decades that followed the war Yet Joshua Chamberlain the soldier is only part of the story of his remarkable life Edward G Longacre s biography of Joshua Chamberlain is the first biography to examine the entire life and career of this complicated man The author skillfully investigates and analyzes all aspects of his life and character before and after the Civil War And Longacre re examines Chamberlain s extraordinary military career as a Union officer drawing on independent and occasionally contradictory eyewitness accounts of his battlefield actions Longacre s meticulous research also suggests that Chamberlain s own account of his military actions can no longer be taken entirely at face value **Soul of the Lion** Willard Mosher Wallace,1991 **A Sketch** Joshua Lawrence Chamberlain,1995 A Sketch Brian L. Higgins,1995-07-01 1905 Original Biography 1865 Adjutant General s Report Best Biography Quick Reading Most Accurate Great Gift Written in 1905 Flavor Ken Burns TNT s Gettysburg Portions of Proceeds to Benefit JLC Statue In 1905 the Chamberlain Association of America printed what it called A SKETCH the first complete biography of Joshua L Chamberlain Written while the General was still alive this sketch placed Chamberlain s Civil War achievements amid the context of his later public life in Maine while identifying some of the events in his boyhood that influenced the actions that won him fame on the battlefield I am reprinting this original biographical sketch of Chamberlain s life because I believe it offers a unique view of this historic

character unfiltered by modern sensibilities I personally prefer the original works to their updated equivalents because the earlier accounts of events maintain a specific historical perspective that later reports do not. Memories sweeten through the ages. In A SKETCH there still remains a whiff of real blood sweat tears that seasoned the fascinating life of Joshua L. Chamberlain.

His Proper Post Sis Deans, 1996 Presents a biography of General Joshua Lawrence Chamberlain and chronicles his childhood in Maine education professorship at Bowdoin College participation in the Civil War and leadership at Gettysburg and later years as Governor of Maine and president of Bowdoin College

Through Blood & Fire Joshua Lawrence Chamberlain, Mark Nesbitt, 1996 Places Chamberlain's known wartime writings within the larger context of the Civil War

Joshua Lawrence Chamberlain Patrick W. Carlton, 1991 The thesis explores the life and achievements of Brevet Major General J. L. Chamberlain the hero of Little Round Top describing his activities as pre-war professor Civil War leader and post-war governor college president and federal official Chamberlain a military novice at the beginning of the war was appointed second in command of the 20th Maine Volunteer Infantry Regiment in August 1862. Quickly learning the soldier's craft Chamberlain was promoted to Colonel and regimental commander in June 1863 just prior to the Battle of Gettysburg. There the unit profiting from Chamberlain's inspired and creative leadership is credited with preventing the extreme left flank of the Union line from being turned by Confederate forces on July 2, 1863. For this feat Chamberlain later received the Congressional Medal of Honor. Chamberlain next commanded a brigade and near the close of the war a division in the Fifth Corps. Desperately it was thought mortally

Joshua Lawrence Chamberlain and the Petersburg Campaign Dennis A. Rashbach, 2016 Documented with extensive primary accounts Joshua Lawrence Chamberlain and the Petersburg Campaign dispels a well-established Civil War myth and sets the historical record straight
