Broadcast Century and Beyond is a popular history of the most influential and innovative industry of the century The story of

broadcasting is told in a direct and informal style blending personal insight and authoritative scholarship to fully capture the

many facets of this dynamic industry The book vividly depicts the events people programs and companies that made

television and radio dominant forms of communication The latest edition includes coverage of all the technologies that have

emerged over the past decade and discusses the profound impact they have had on the broadcasting industry in political

social and economic spheres Broadcasting as a whole has been completely revolutionized with the advent of YouTube

podcasting iphones etc and the authors show how this closing of world wide broadcasting channels affects the industry

The Working Press of the Nation ,2002 Seducing America Roderick P. Hart,1998-07-27 Roderick P Hart's revised edition of Seducing America is an eye opening look at how television's format of presenting politics to its viewers has changed the way television watching citizens act vote and feel about politics in this country. While television makes us feel knowledgeable important informed and close to our political representatives it disguises dissatisfaction with the political system and with ourselves Hart's rigorous blend of rhetorical and statistical research plus his eloquent and passionate writing make this book a superb supplementary text for political communication and media studies courses that will help engage students in provocative discussions about media and politics.
