Moremi The Courageous Queen:

Moremi, the Courageous Queen Segun Thomas Ajayi, 2007 **The Lonely Ones Among Us** Oluwole Komolafe, 2016-11-11 The Lonely Ones Among Us describes the arduous and slippery paths of the selected few that journey to success from the base of the economic pyramid of life in Nigeria In this book the author draws similarities between the capillary action in a rising damp to the determination that propels the poor that rise from the base of the economic pyramid to success by dint of hard work Mr Enilari Olakitan Ekun a humble science teacher in a secondary school in Lagos is the main character in the book His life exemplifies the challenges faced by the few that swim against the tide to liberate themselves from the bondage at the base of the economic pyramid Other characters with similar attributes to Mr Ekun are identified in the book What they all have in common is that they refuse to follow the accepted way of life that the society considers to be the norm They are the aberrant that see the problems others overlook or pretend not to see Instead of following the crowd they choose to follow the road of the lone wayfarer In summary the book shows that the old fashion way of hard work still pays off Queen Moremi Makes a Promise Ayo Oyeku, 2021 Meet Queen Moremi the courageous leader of Il Ife Kingdom It is Queen Moremi's birthday a grand occasion and her best friend Esi is always by her side Until one present threatens to come between the two friends a mysterious gift which reveals something extraordinary **Encyclopedia of Goddesses and Heroines** Patricia Monaghan, PhD, 2014-04-01 More Than 1 000 Goddesses Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching writing about and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology Monaghan's vibrant and accessible encyclopedia covers female deities from Africa the eastern Mediterranean Asia and Oceania Europe and the Americas as well as every major religious tradition **Integral Community Enterprise in Africa** Anselm Adodo, 2017-04-03 This book demonstrates that an institutionalized model of business and enterprise based on nature community spirituality and humanism as demonstrated by a Nigerian community enterprise is a better driver of social and technological innovation in Africa Father Anselm Adodo proposes the theory of Communitarianism as a more indigenous sustainable and integral approach to tackling the social political economic and developmental challenges of today's Africa and offers this as an African alternative to Capitalism Socialism and Communism a surer path to sustainable development in and from Africa **JORELGS**, 2007 **Nigerian Top TV Comedians and Soap Opera** S.
