

WORKSHOP MANUAL

RODEO (UCR/UCS)

FOREWORD

This manual contains instructions, important points, safety data, measurements, etc. that are needed for the maintenance, adjustment, service removal and installation of vehicle components.

All instructions, illustrations and measurements contained in this manual are based on the latest product information available at the time of publication.

All figures are measured in metric units (centimeters, millimeters).

Arrangements for maintenance work with the vehicle should be done in the right-hand side of the page. It should be noted that the first page of each section can be used for the notes on the work performed. Please provide more details on the work performed on the vehicle.

This manual applies to RDE 2 model.
