Light,D. Phinnemore,2001-02-02 Drawing on contributions from various disciplines this up to date collection analyses Romania s experiences of the transition from the harsh realities of the Ceaurescu dictatorship to the uncertainties of the efforts to consolidate democracy and introduce a market economy With its focus on Romania s progress in coming to terms with the legacy of its communist past the realities of pluralism the introduction of a market economy and the challenge of European integration the volume will be key reading for academics students and practitioners interested in transition and Romania Romania James Roberts,2000 **The Dracula Dilemma** Duncan Light,2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker s famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania s unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania s self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania s dilemma with Dracula remains unresolved **Romania & Moldova** Robert Reid,Leif Pettersen,2007 Two authors 16 months in country research three car accidents eight road trips slowed by jaywalking goats Fully updated information on Moldovan wineries and Transylvanian castles The only guidebook to cover Moldova and its autonomous regions of Transdnistr and Gagauzia Content updated daily visit Ionelyplanet com for up tothe minute reviews updates and traveller suggestions Alternative Travel Directory 1997 Clayton Allen Hubbs,1997 *Romania & Moldova* Nicola Williams,1998 This comprehensive guide to the least explored corner of Europe provides a candid historical political and cultural
