The question I most get having now written 5 books together with my kids is not about the characters or the dog or the castle or if Lu will ever stop eating fries No The question I get from parents is How in the world did you manage to do a creative project with your kids how did it go and how can I do it too The answer was 1 I just decided to do it 2 it went both terribly wrong and wonderfully right and 3 this book is how you can do it too One parent pulled me aside a bit frazzled and almost threatened me with If you ever hold a weekend workshop on how to do a creative project together with your kids I ll pay whatever you want to charge When I sat down with my then 8 year old on the red chair in early March of 2014 having just read a really bad children s book and said Wow that book was pretty bad I then immediately followed up with We can do better than that My son looked at me like I was crazy I was and challenged me to follow through on my dare I did Within a month we had a book on Amazon Now we can boast almost all of the list below 1 We have sold 1 000 000 books in 89 countries and 7 languages 2 We sometimes had to resort to bribery coercion and ice cream to get a chapter done 3 Just on royalties alone Li is eyeing a Maserati for his 16th birthday 4 We created something from nothing and no one can ever take that away 5 We get regular calls from Hollywood producers about making the movie versions 6 We broke all of Audible s rules when we recorded the audiobook version and got rejected 7 Both boys have transformed into perfect angels who study Mandarin in their free time after violin lessons and before their volunteer work for global literacy 8 I have a audio proof of my 10 year old narrating
