La Russie Un Etat Et Un Territoire En Recomposition

K Morrison

La Russie Un Etat Et Un Territoire En Recomposition:

Géographie Tle L-ES-S Roger Brunet, 2008 **Géographie : terminales L, ES, S** Guillaume Jacono, Caroline Loock-Hertzog, Bertrand Pleven, 2008-08-19 *Le monde turco-iranien en question*, 2008 Le monde turco iranien qui s'étend des Dardanelles à l'Indus et se prolonge jusqu'aux frontières occidentales de la Chine est un vaste ensemble de l'aire musulmane mais il demeure mal connu en Occident. Il regroupe aujourd'hui plus de 200 millions d'habitants répartis dans une douzaine d'Etats. Monde ancien fragmenté, hétérogène et contrasté tout en ayant de forts éléments d'unité, cette région est la fois un centre de diffusion culturelle et un lieu de passage de contact et de changements économiques depuis la plus haute Antiquité. Situé au cœur de l'Eurasie traversé par les routes les plus anciennes, son rayonnement culturel a souvent dépassé les frontières des pays qui la composent aujourd'hui. Confronté à la modernité depuis environ deux siècles, le monde turco-iranien a abordé cette nouvelle étape de son histoire en empruntant des voies différentes. Certains pays se sont inspirés de l'exemple occidental, d'autres ont été marqués par la colonisation russe, l'expérience soviétique, voire chinoise. Paradoxalement, alors qu'une partie des pays de la région ont effectué les expériences de la cité les plus poussées, Turquie et républiques ex-soviétiques en particulier, d'autres ont exploré la voie de l'islam politique le plus radical, Iran et Afghanistan. Dans cette perspective, ces contrées ont été en quelque sorte le laboratoire du monde musulman dans son ensemble. Cet ouvrage est issu d'un colloque organisé en novembre 2005 à l'Institut universitaire d'études du développement IUED de Genève en l'honneur de Mohammad Reza Djalili. Les articles rassemblés dans ce volume offrent une réflexion critique sur la pertinence heuristique du concept de monde turco-iranien sur ses confins et sur ses spécificités. Ils adoptent tour à tour une perspective historique, politologique et anthropologique et abordent des thématiques telles que l'évolution historique de ces régions, la formation des Etats, les tensions de sociétés en transition, l'heure de la globalisation et des replis identitaires.

Law in Greater Europe Bruno Haller, Hans-Christian Krüger, Herbert Petzold, 2021-10-11 This collection of studies intends to honour Heinrich Klebes who both as a distinguished international civil servant and as a scholar and analyst has made and continues to make an important contribution to the development of European cooperation in general and within the Council of Europe in particular. At the same time it offers a unique and stimulating analysis of the development of a common body of law in the wider Europe. The twenty-nine articles contained in this volume are grouped together under five headings: commitment to democratic standards, protection of human rights and fundamental freedoms, the Council of Europe in context, the common legal space, common problems of democracy and transatlantic relations.

Historiens et géographes, 2008 Politiques sociales et constructions fédérales des territoires politiques: quatre études de cas, 2003-03-01 Dans les vingt dernières années, certains Etats se sont dissous, d'autres sont apparus, d'autres encore ont cherché à unir en formant des entités politiques nouvelles, celle continentale. Simultanément, les formes en vigueur des systèmes nationaux de protection sociale ont été remises en cause par les lites politiques et économiques. Ce dossier composé d'articles portant sur quatre fédérations, Suisse, Allemagne, Espagne et Canada, montre la variété

des réponses que les sociétés peuvent apporter de telles questions **Problèmes politiques et sociaux**, 1992 *Revue politique et parlementaire*, 2000 **L'Année stratégique**, 1993 **Les Communautés et l'Union européennes face aux défis de l'élargissement** Joël Andriantsimbazovina, 2005 Le courrier des pays de l'Est, 2003 *La Lituanie et l'OSCE* Cyrielle Guilbaud, 2023-01-25 Puissance balte la Lituanie tente d'inscrire sa politique étrangère dans un contexte international nouveau marqué par la fin de la Guerre froide et in fine par la disparition de la configuration d'un monde bipolaire Cet ouvrage apporte un éclairage nouveau sur la politique étrangère adoptée par Vilnius Il retrace la diplomatie de la Lituanie l'OSCE Organisation pour la sécurité et la coopération en Europe première organisation internationale anciennement nommée CSCE que le pays a intégré en 1991 en recouvrant sa souveraineté L'analyse s'appuie sur une évaluation des menaces conventionnelles et hybrides que font peser Russie et Biélorussie sur la sécurité régionale conditionnant choix et décisions d'un petit État qui entend faire de l'OSCE sa vitrine diplomatique Elle met en exergue les logiques de compétition et de complémentarité entre les différentes structures sécuritaires internationales OTAN UE OSCE auxquelles appartient la Lituanie

Géopolitique des frontières orientales de l'Allemagne Gilles Lepesant, 1998 Soulignant les risques d'instabilité en Europe centrale et orientale l'Allemagne refuse que les limites orientales de l'Union européenne et de l'OTAN coïncident durablement avec ses propres frontières Formulées par les dirigeants allemands dès 1989-90 cette vision géopolitique a valu la Pologne et la République tchèque un soutien allemand constant et déterminant dans leur stratégie d'intégration au sein des structures politiques économiques et militaires occidentales La gestion des frontières orientales de l'Europe s'annonce comme un défi majeur pour l'Union européenne

Islam et politique en ex-URSS Marlène Laruelle, 2005-07-01 Le but de cet ouvrage est de faire le point près de quinze ans après la chute de l'Union soviétique sur les évolutions en cours dans cet espace en mettant l'accent sur la question religieuse et ses liens avec le politique Cette imbrication du religieux du politique et du national s'inscrit dans des processus généraux au travers desquels les sociétés post-soviétiques ont jusqu'ici trop rarement analysées Ces thématiques permettront d'amorcer une réflexion plus générale concernant les liens paradoxaux qui émergent aujourd'hui entre religion et politique

Problèmes économiques, 2001 **Le nettoyage ethnique** Sébastien Marmin, 2014-02-01 Le nettoyage ethnique peut s'analyser comme instrument de création d'un État nation Les règles internationales de garantie des droits fondamentaux y opposent une résistance L'enjeu d'évaluer cette pratique est de déterminer l'opportunité de laborer une règle prohibitive spécifique Les règles les plus méme de prévenir le nettoyage ethnique sont chercher dans le droit international des droits de l'homme le droit international humanitaire et le droit international des minorités

L'Information géographique, 1996 Notes et études documentaires, 2001 **La Revue administrative**, 2000 *Pouvoir militaire et pouvoir politique en Russie* Françoise Daucé, 2001
