Kennedy,1997      **Answering Skeptics** Douglas Jacoby,2017-02-21 Practical responses to common challenges from skeptics atheists and other critics of faith from the author of *Compelling Evidence for God and the Bible* These days when many atheists and agnostics believe their criticisms of Christianity are unanswerable it s easy to feel intimidated Perhaps you have been told Christians are hypocrites and Christianity is corrupt The Bible has been changed There s no proof for God It s either science or faith and I choose science A good God would never allow the pain and suffering we see in the world There s no historical evidence for Jesus He s nothing but a legend All religions are basically the same *Answering Skeptics* will equip you to make intelligent replies to dozens of charges like these You don t need to have a PhD to make a convincing reply Giving a simple answer to a skeptic s questions is easier than you may think Whether you are a student or teacher veteran Christian or new believer wrestling with others doubts or your own *Answering Skeptics* is a volume you will return to again and again Learn how to defend the Christian faith demonstrate that it is both true and reasonable and nudge the nonbeliever towards faith Just how prepared are you to answer the skeptic Find out Soon after opening *Answering the Skeptics* you will know And once you ve digested it you ll be better equipped than ever We regard Douglas Jacoby as one of the bright lights in the field of apologetics in the twenty first century John Clayton Christian apologist Does God Exist      *Relational Apologetics* Michael Sherrard,2012-09 How do you know that there is a God How do you answer someone who says that truth doesn t exist What do you do when someone asks you how you know that Christianity is the right religion If you are like many people the only answer you can offer is Well I just have faith But to a world that wants to know if God is real this is not a good enough answer Christians must be ready to give a reason a good reason for their hope in Jesus and their lives must be a holy reflection of their message In *Relational Apologetics* Michael C Sherrard seeks to help Christians do just that become holy people that defend Christianity both in word and deed Using stories and drawing upon personal experiences Sherrard teaches the importance of personal holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic s questions In the process you ll learn that defending Christianity is as much about who you are and what you do as it is what you say And you will find that your life is intended to be an apologetic for God and a light for men to find Him      **Meet The Skeptic** Bill Foster,2012-03-01 Christian faith almost always meets skepticism Are you equipped to effectively handle the skeptic s questions and debates *Meet the Skeptic* is a new approach to equipping believers to engage the non believing culture Author Bill Foster takes the multitude of objections and reduces them to four basic categories Understanding these categories will enable you to effectively share your hope in the gospel of Jesus Christ and clarify the skeptic s root objection Foster offers pop culture references and biblical support so that you can Recognize the Red Flag Words that prop up objections Ask probing questions and acquire an ear for opportunities Develop an understanding of the skeptics ideas and better fulfill the Great Commission This easy to read approach to apologetics and evangelism is a field guide to faith conversations It is written for teens college students and
