and the romance book industry Learn her story and know that anyone can be scammed Become educated about romance scams and learn how to recover from the ordeal with innovative flair by transmuting your negative emotions into a positive experience Prometheus and Gaia Harrison Fluss,Landon Frim,2022-02-01 Prometheus and Gaia examines the ideological positions of Futurism and Eco Pessimism While these are rarely spoken about in mainstream discourse they do have strong resonances in today s popular politics and culture In light of existential threats posed by climate change disruptive technologies and economic crises many have grown weary of the small fixes offered by mainstream policy makers Radical change thus appears necessary as Futurism and Eco Pessimism emerge as two fundamental challenges to the status quo The Futurist claims that the current dynamism of technology is incompatible with human limitations while the Eco Pessimist sees the climate crisis as symptomatic of a broader human domination over nature What these seemingly opposite currents have in common is a shared rejection of the human frame as grounding politics each seeks to subordinate the human in favor of a wholly alien other either in the form of an anarchic nature or a dynamic technology To transcend this strange coincidence of opposites Prometheus and Gaia makes the positive case for a humanism that is rationalist without being anthropocentric
