Asian Borderlands Charles Patterson Giersch, 2006 With comparative frontier history and pioneering use of indigenous sources Giersch provides a groundbreaking challenge to the China centered narrative of the Qing conquest He focuses on the Tai domains of the Yunnan frontier on the politically fluid borderlands where local indigenous leaders were crucial actors in an arena of imperial rivalry

Lore and Verse Yue Zhang, 2022-01-01 Lore and Verse is the first English language book dedicated entirely to studying poems on history yongshi shi in premodern China Focusing on works by poets from the entire range of early medieval China 220-589 Yue Zhang explores how history was disseminated and interpreted through poetry as well as how and why certain historical figures were commemorated in

poetry In writing poems on history poets retrospectively crafted their own identities through their celebration of historical figures and they prospectively fortified a continuous lineage for transmitting their values and reputation to future generations This continuous tradition of cultural memory informs a poet's reception of historical figures which in turn shapes that tradition through further intertextual connections Lore and Verse questions the sweeping generalization of early medieval Chinese poetry as consisting mainly of exuberant images and an ornamental style an inaccurate characterization repeated by later historians and literary critics and it provides translations close readings and analyses of selected poems on history that will be useful for students instructors and general readers interested in premodern Chinese literature and culture
